OFFICE OF THE SECRETARY

Re Rule Making Petition # 4-483

Dear Mrs. Katz

I am writing in behalf of my wife,
my children, and myself who are all
stockholders of the Ohio-Lint Co (OAR
on the American Stock Exchange)

I feel that plan of management
to go private is to the detriment of all
the other stockholders. A veil of privacy
will descend on the Company.
I am not questioning the letter
of the law, but the SEC should be protecting
all stockholders not abetting a privileged
few. This is the time when the public interest
will be greatly served by a merger or changing
unfair law. You truly, John Rosenthal
