EchoStar Communications Corporation (a Delaware corporation)

1. Sensor Co. Ltd. v. Hughes Electronics Manufacturing Service Company, et al.
Plaintiff seeking \$35 million for alleged fraud, breach of contract, breach of warranties and violation of California's unfair trade practices act. Hughes denies liability, and has filed cross-claims seeking contribution and indemnification from co-defendants. Co-defendants have filed cross-complaints seeking indemnification from Hughes. Discovery has not commenced.

2. Grand Jury Investigation/State Department Review
There is a pending grand jury investigation into whether Hughes should be accused of criminal violations of the export control laws arising out of the participation of two employees on a committee formed to review the findings of Chinese engineers regarding the failure of a Long March rocket in China in 1996. Hughes is also subject to the authority of the United States State Department to impose sanctions for non-criminal violations of the Arms Export Control Act. In this long-pending investigation, no indictment has issued, nor has the State Department imposed sanctions, to date.

3. Bischoff, et al. v. DIRECTV, et al.
In September 2000, a putative class action was commenced against DIRECTV, Thomson Consumer Electronics, Best Buy Co., Circuit City Stores and Tandy Corporation. The named plaintiffs purport to represent a class of all consumers who purchased DIRECTV equipment and services any time from March 1996 to September 1, 2000, and allege that defendants have violated federal and California antitrust statutes by entering into agreements to exclude competition and force retailers to boycott competitors' products and services. There will be a status conference in this matter shortly. DIRECTV intends to move to compel arbitration

4. Kingray, et al. v. NBA, et al.,
Kingray, et al. v. NHL, et al.,
Putative class actions against NBA and NHL, its member teams and DIRECTV. Plaintiffs allege that the distribution agreements between the leagues and DIRECTV violate the antitrust laws. DIRECTV's motion to dismiss complaint granted with leave to amend. Second motion to dismiss now pending. DIRECTV's motion to compel arbitration denied. DIRECTV has filed notice of appeal of arbitration ruling.

Re: PanAmSat Corporation; PanAmSat Communications Carrier Services, Inc.; PanAmSat Communications Services, Inc.

Dear Ms. Salas:

It has come to our attention that the Commission's database does not reflect the assignment of certain earth station licenses to the above-named entities, and/or changes to the names of the licensees of the earth stations, pursuant to the transaction approved by Commission action In the Matter of Hughes Communications, Inc. and Affiliated Companies and Anselmo Group Voting Trust/PanAmSat Licensee Corporation and Affiliate Companies, Application for Transfer of Control and/or Assignment of Various Space Station, Earth Station and Section 214 Authorizations, FCC 97-121, Order and Authorization (Apr. 4, 1997).

While most of the earth stations assigned in that transaction are properly reflected in the Commission's database as licensed to the appropriate PanAmSat entity, the database lists a number of the authorizations as licensed to the previous licensee, and/or the previous name of the licensee. Please update the Commission's records to reflect the correct licensee for each earth station listed below:

1. Following Commission consent, the following earth stations were assigned to **PanAmSat Corporation**:

Ms. Magalie R. Salas

E3943	E940368
E860175	E950502
E920340	E950508
E950349	

2. Following the pro forma transfer of control of Hughes Communications Services, Inc., that entity changed its name to PanAmSat Communications Services, Inc. Please update the database entry for earth station license E5702 to reflect the new name of the licensee, **PanAmSat Communications Services, Inc.**

3. Following the pro forma transfer of control of Hughes Communications Carrier Services, Inc., that entity changed its name to PanAmSat Communications Carrier Services, Inc. Please update the database entry for earth station KA71 to reflect the new name of the licensee, **PanAmSat Communications Carrier Services, Inc.**

In addition, please issue new licenses for each of the earth stations listed above in the name of the appropriate entity.

Thank you for your attention to this matter, and please feel free to contact me with any questions.

Respectfully submitted,

Re: PanAmSat Corporation; PanAmSat Communications Carrier Services, Inc.; PanAmSat Communications Services, Inc.

Dear Ms. Salas:

It has come to our attention that the Commission's database does not reflect the assignment of certain earth station licenses to the above-named entities, and/or changes to the names of the licensees of the earth stations, pursuant to the transaction approved by Commission action In the Matter of Hughes Communications, Inc. and Affiliated Companies and Anselmo Group Voting Trust/PanAmSat Licensee Corporation and Affiliate Companies, Application for Transfer of Control and/or Assignment of Various Space Station, Earth Station and Section 214 Authorizations, FCC 97-121, Order and Authorization (Apr. 4, 1997).

While most of the earth stations assigned in that transaction are properly reflected in the Commission's database as licensed to the appropriate PanAmSat entity, the database lists a number of the authorizations as licensed to the previous licensee, and/or the previous name of the licensee. Please update the Commission's records to reflect the correct licensee for each earth station listed below:

1. Following Commission consent, the following earth stations were assigned to **PanAmSat Corporation**:

E920340	E950508
E950349	

2. Following the pro forma transfer of control of Hughes Communications Services, Inc., that entity changed its name to PanAmSat Communications Services, Inc. Please update the database entry for earth station license E5702 to reflect the new name of the licensee, **PanAmSat Communications Services, Inc.**

3. Following the pro forma transfer of control of Hughes Communications Carrier Services, Inc., that entity changed its name to PanAmSat Communications Carrier Services, Inc. Please update the database entry for earth station KA71 to reflect the new name of the licensee, **PanAmSat Communications Carrier Services, Inc.**

In addition, please issue new licenses for each of the earth stations listed above in the name of the appropriate entity.

Thank you for your attention to this matter, and please feel free to contact me with any questions.

Respectfully submitted,

Joseph A. Godles
