RESOURCE MANAGEMENT PLAN
MAP OF
ALTERNATIVE D
Map 2 — Beulah Area
Dickinson District
North Dakota

LEGEND

ALTERNATIVE D — APPLICATION OF THE COAL SCREENS

- Coal Study Area (CSA) Boundary
- Unsuitability Criteria (Coal Excluded from Further Consideration for Leasing or Exchange)
- Multiple-use Tradeoffs (Coal Excluded from Further Consideration for Leasing or Exchange)
- Multiple-use Tradeoffs — Wildlife Threshold (Coal Acceptable for Further Consideration Until Threshold is Reached)
- Significant Surface Owner Opposition (Coal Excluded from Further Consideration for Leasing or Exchange)
- Federal Coal
- Existing Federal Coal Leases

Unsuitability criterion 3 has not been portrayed. Acreages excluded under this criterion are presented in Appendix C of the draft North Dakota RMP/EIS.

This is a graphic representation only. Due to the scale of the map, parcels of less than 40 acres may not be shown. For detailed information, contact the Bureau of Land Management District Office in Dickinson, North Dakota.
