

SAN LORENZO CANYON

San Lorenzo Canyon offers an abundance of semi-primitive recreation opportunities. Due to its mild climate and close proximity to Socorro, the area can be used both year round and on a daily basis.

The area is used primarily for hiking, horseback riding, hunting, sightseeing, photography, camping, and picnicking.

Please note:

Stay on existing roads and trails.

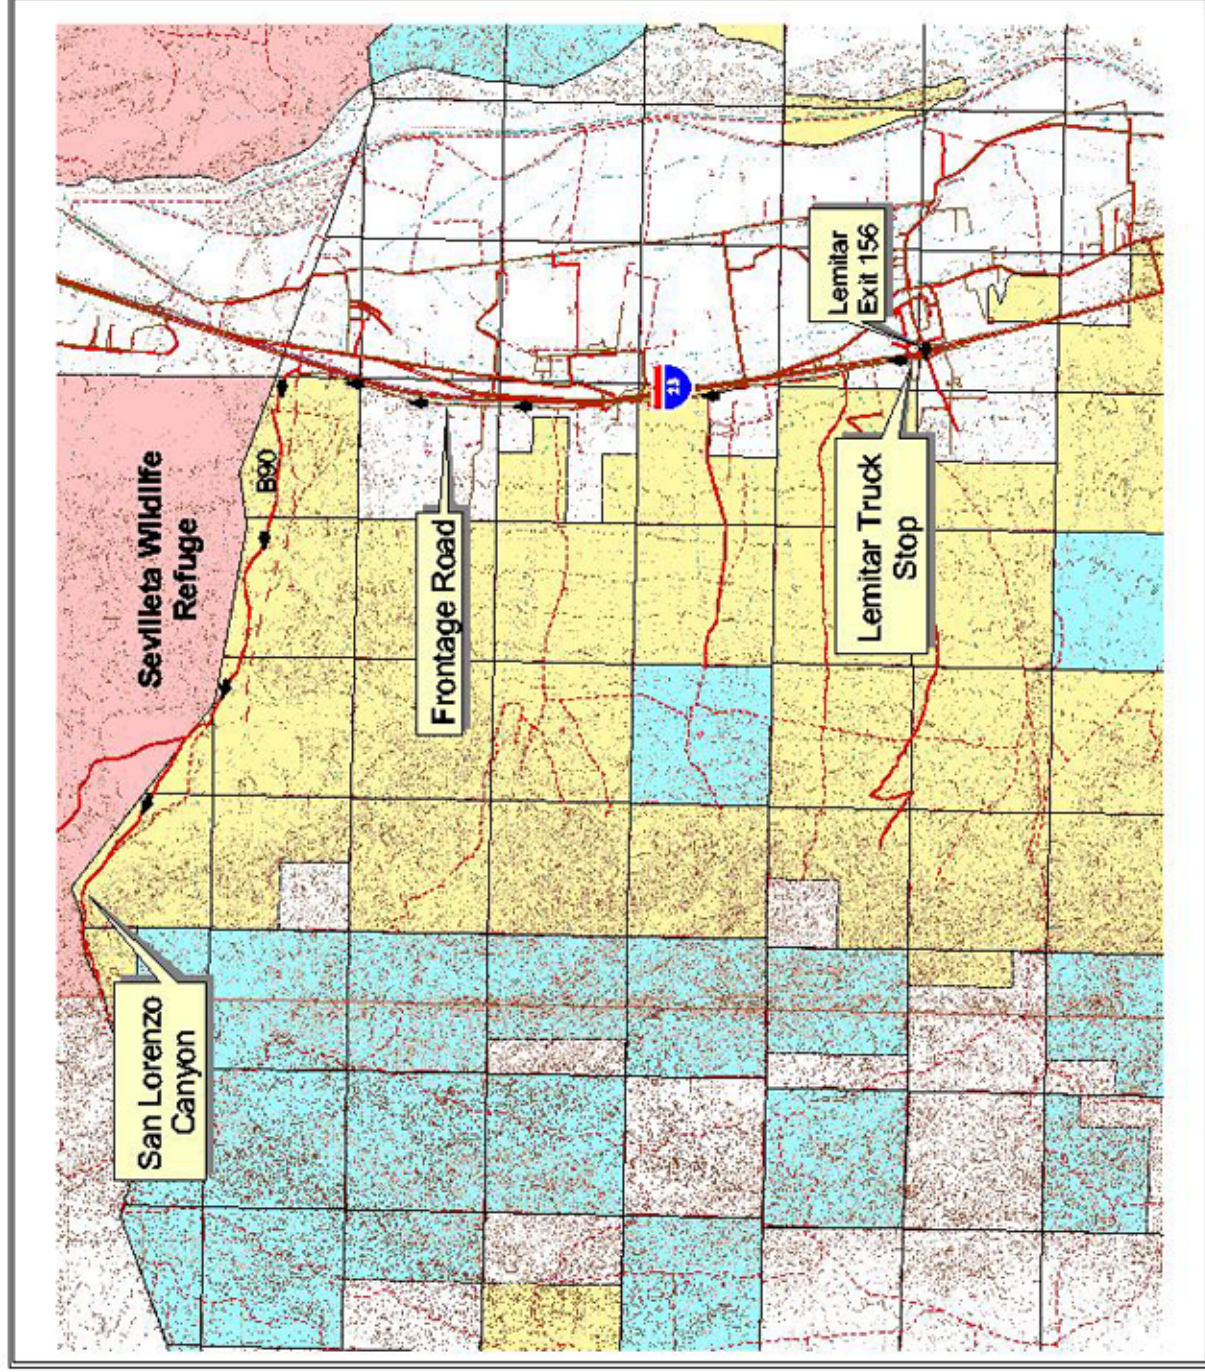

There is no cutting of native vegetation allowed.

Do not litter.

Public access is not allowed into the Sevilleta National Wildlife Refuge. Signs are posted.

SAN LORENZO CANYON

Directions:

Take the Lemitar exit (No. 156). Go west under I25. Turn north on the frontage road 4.4 miles. When you can no longer go north, turn west on County Road B90 (which is a dirt road). You will soon drop into San Lorenzo Valley, and 1.9 miles from the frontage road you will turn north again at the San Lorenzo Canyon sign. It is approximately 2 miles to the Canyon.
