

Solicitation Number: EPA/ORD/NHEERL/ETD/04-001

Title: Exploring Body Burdens of Polybrominated Diphenylethers (PBDEs) and Hexabromocyclododecane (HBCD)

Project Officer: Janet Diliberto

Amendment 3

The purpose of Amendment 3 is to give information about EPA's quality assurance and management plans for applicants responding to this RFIP. When the cooperative agreement is awarded, the applicant will have to do a Quality Management Plan (QMP-R2) and a Quality Assurance Project Plan (QAPP-R5). Information about these two documents and plans are given at the URL: http://www.epa.gov/quality/qa_docs.html.
