

# Light-Duty Automotive Technology and Fuel Economy Trends: 1975 Through 2008

## Appendix B Model Year 2008 Nameplate Fuel Economy Listings

Compliance and Innovative Strategies Division  
and  
Transportation and Climate Division

Office of Transportation and Air Quality  
U.S. Environmental Protection Agency

### NOTICE

*This technical report does not necessarily represent final EPA decisions or positions. It is intended to present technical analysis of issues using data that are currently available. The purpose in the release of such reports is to facilitate the exchange of technical information and to inform the public of technical developments.*
