3. *Submission Dates and Times:*

Applications Available: October 17,
2005.

*Deadline for Transmittal of
Applications:* In light of the damage
caused by Hurricanes Katrina and Rita
we are establishing two separate
deadlines for the submission of
applications for grants under this

competition to permit potential applicants affected by Hurricanes Katrina and/or Rita additional time to submit their applications. We are establishing a *General Deadline* for all applicants, and an *Extended Deadline* for potential applicants who have been affected by Hurricanes Katrina and/or Rita and are located in Louisiana, Texas, Alabama, Mississippi, and Florida. Specifically, the *Extended Deadline* applies only to: (1) Institutions of higher education, SEAs, LEAs, non-profit organizations and other public or private organization applicants that are located in a federally-declared disaster area as determined by the Federal Emergency Management Agency (FEMA) (see <http://www.fema.gov/news/disasters.fema>) and that were adversely affected by Hurricanes Katrina and/or Rita, and (2) individual applicants who reside or resided, on the disaster declaration date, in a federally-declared disaster area as determined by FEMA (see <http://www.fema.gov/news/disasters.fema>) and were adversely affected by Hurricanes Katrina and/or Rita. These applicants must provide a certification in their application that they meet the criteria for submitting an application on the *Extended Deadline*, and be prepared to provide appropriate supporting documentation, if requested. If the applicant is submitting the application electronically, submission of the application serves as the applicant's attestation that they meet the criteria for submitting an application on the *Extended Deadline*.

The following chart provides the applicable deadlines for the submission of applications. If this program is subject to Executive Order 12372, the relevant deadline for intergovernmental review is also indicated in the chart.

	Transmittal of applications	Intergovernmental review
<i>General Deadline</i>	11/16/05	N/A
<i>Extended Deadline</i>	12/1/05	N/A

Applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically or by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 6. *Other Submission Requirements* in this notice.

We do not consider an application that does not comply with the deadline requirements.

4. *Intergovernmental Review*: This competition is not subject to Executive Order 12372 and the regulations in 34 CFR part 79.

5. *Funding Restrictions*: We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. *Other Submission Requirements*: Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications*.

Applications for grants under the Language Resource Centers Program—CFDA Number 84.229A must be submitted electronically using the Grants.gov Apply site at: <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for Language Resource Centers at: <http://www.grants.gov>. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search.

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are time and date stamped. Your application must be fully uploaded and submitted, and must be date/time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this

section, we will not consider your application if it is date/time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date/time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at: <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via Grants.gov, you must complete all the steps in the Grants.gov registration process (see <http://www.Grants.gov/GetStarted>) and provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information typically included on the Application for Federal Education Assistance (SF 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified above or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- After you electronically submit your application, you will receive an automatic acknowledgement from Grants.gov that contains a Grants.gov tracking number. The Department will retrieve your application from Grants.gov and send you a second confirmation by e-mail that will include a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically, or by hand delivery. You also may mail your application by following the mailing instructions as described elsewhere in this notice. If you submit an application after 4:30 p.m., Washington, DC time, on the deadline date, please contact the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT**, and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number (if available). We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: Extensions referred to in this section apply only to the unavailability of or technical problems with the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to the Grants.gov system;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Mr. Ed McDermott, U.S. Department of Education, 1990 K Street, NW., 6th Floor, Washington, DC 20006–8521; Phone (202) 502–7626 Fax: (202) 502–7691.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

Revision to the Record of Decision for the Department of Energy's Waste Management Program

AGENCY: Department of Energy.

ACTION: Revision to record of decision.

SUMMARY: The Department of Energy (DOE), pursuant to 10 CFR 1021.315, is revising the *Record of Decision for the Department of Energy's Waste Management Program: Treatment and Storage of Transuranic Waste*, issued on January 20, 1998 (63 FR 3629) and revised previously on December 29, 2000 (65 FR 82985) and July 13, 2001 (66 FR 38646). On September 6, 2002 (67 FR 56989) and June 30, 2004 (69 FR 39446) the Department decided to send the waste from Battelle Columbus Laboratory West Jefferson site to the Hanford Site. The Department has now decided to transfer approximately 37 cubic meters of transuranic (TRU) waste generated as part of the cleanup of the Battelle Columbus Laboratory West Jefferson site near Columbus, Ohio, to the Savannah River Site (SRS) and/or the Waste Control Specialists (WCS) site near Andrews, Texas for either characterization or storage until the waste can be disposed of at the Waste Isolation Pilot Plant (WIPP) in New Mexico. Both SRS and WCS offer viable storage options for the Battelle TRU waste. Pursuant to this decision, DOE may ship all of the Battelle TRU waste to either SRS or WCS, or it may choose to ship a portion of the waste to SRS and the remainder of the waste to WCS.

The Remote-Handled (RH) TRU waste (approximately 25 cubic meters,

including about 3 cubic meters of mixed TRU waste [containing both radioactive and hazardous components]) would be stored at SRS or WCS for up to five years. The CH-TRU waste (approximately 12 cubic meters, including about 2 cubic meters of mixed TRU waste) would be characterized at SRS under the existing characterization program and shipped to WIPP for disposal or stored at WCS for up to five years. If DOE's request for modification of the WIPP hazardous waste facility permit currently pending before the New Mexico Environment Department is granted without substantial change, DOE may be able to ship the Battelle West Jefferson TRU waste from SRS or WCS to WIPP near Carlsbad, NM for disposal, without additional characterization. If additional characterization is necessary prior to disposal at WIPP, the Battelle West Jefferson TRU waste may be shipped from SRS or WCS to another DOE site for characterization.

DOE has prepared a Supplement Analysis (SA) in accordance with DOE NEPA regulations (10 CFR 1021.314) to determine whether the proposed off-site shipment of the Battelle West Jefferson TRU waste for storage at SRS or WCS prior to disposal at WIPP is a substantial change to the proposal or whether there are significant new circumstances or information relevant to environmental concerns such that a supplement to the WM PEIS or a new EIS would be needed. Based on the SA, DOE has determined that a supplement to the WM PEIS or a new EIS is not needed.

FOR FURTHER INFORMATION CONTACT: Copies of the Waste Management Programmatic Environmental Impact Statement (WM PEIS), the 1998 WM PEIS ROD for TRU waste, the revised WM PEIS RODs for TRU waste, this revised ROD, and the *Supplement Analysis for Transportation, Storage, Characterization, and Disposal of Transuranic Waste Currently Stored at the Battelle West Jefferson Site near Columbus, Ohio* (DOE/EIS-0200-SA-02) will be available on DOE's National Environmental Policy Act (NEPA) Web site at: <http://www.eh.doe.gov/nepa> under DOE NEPA Documents. To request copies of any of these documents, please write or call:

The Center for Environmental Management Information, P.O. Box 23769, Washington, DC 20026-3769, Telephone: 1-800-736-3282 (in Washington, DC: 202-863-5084).

For further information regarding the storage, characterization, and disposal of Battelle West Jefferson TRU waste, or to obtain copies of the Supplement
