NANCY MAYER WHITTINGTON, CLERK  
U.S. DISTRICT COURT

ORDER

The government's unopposed motion to continue sentencing date is **granted in part**, but the Court is reluctant to continue sentencing for more than a year, especially since the main proffered reason for the continuance is the pendency of another criminal case that may or may not be disposed of before trial. The April 24, 2009 sentencing date is **off the calendar**. Counsel are directed to file interim status reports at 90-day intervals, beginning April 30, 2009. It is **SO ORDERED**.
