

LBJ LIBRARY - LIST OF INDEPENDENT CONTRACT RESEARCHERS

July 24, 2007

The individuals listed below have expressed interest in contracting for a fee to do research for persons who find it impractical to come to the Library themselves. Information regarding credentials and/or relevant experience is provided below, but the Library makes no recommendations concerning these individuals. **All aspects of the relationship, including financial arrangements, between an individual and a contract researcher are the responsibility of the parties themselves.**
