### DEPARTMENT OF THE TREASURY

#### Bureau of Alcohol, Tobacco and Firearms

[Docket No. 938; ATF O 1130.19]

#### Delegation Order—Delegation of the Director's Authorities in 27 CFR Part 70, Procedure and Administration, Other Than Certain Offers in Compromise

To: All Bureau Supervisors.

1. *Purpose.* This order delegates certain authorities of the Director to subordinate ATF officers and prescribes the subordinate ATF officers with whom persons file documents which are not ATF forms. In addition, this order provides procedures for requests or demands for disclosure in testimony and in related matters.

2. *Background.* Under current regulations, the Director has authority to take final action on matters relating to procedure and administration. The Bureau has determined that certain of these authorities should, in the interest

of efficiency, be delegated to a lower organizational level.

3. *Cancellations.* The following ATF orders are canceled:

a. ATF O 1100.8B, Delegation Order—Notice of Additional Inspection of Taxpayer's Books of Account Under section 7605(b), Internal Revenue Code, dated 10/28/92; and

b. ATF O 1100.115D, Delegation Order—Authority to Approve Testimony and Release Official Information, dated 4/3/98.

#### 4. *Delegations.*

a. Under the authority vested in the Director, Bureau of Alcohol, Tobacco and Firearms, by Treasury Department Orders No. 120-01 (formerly 221), dated June 6, 1972, No. 120-03, dated November 5, 1990, and by 26 CFR 301.7701-9, this ATF order delegates certain authorities to take final action prescribed in 27 CFR part 70 to subordinate officers with certain exceptions. The exceptions are the authorities contained in 27 CFR 70.482 and 70.483 to accept or reject offers in compromise other than those relating to forfeiture cases. These exceptions have been delegated through a separate ATF order.

b. This ATF order prescribes the subordinate officers with whom applications, notices, and reports required by 27 CFR part 70 (other than 27 CFR 70.482 and 70.483), which are not ATF forms, are filed.

c. The attached table identifies the regulatory sections, authorities and documents to be filed, and the authorized ATF officers.

d. The authorities in the table may not be redelegated.

5. *Procedures for Requests or Demands for Disclosure in Testimony and in Related Matters Under 27 CFR 70.803.* These procedures do not restrict (1) the disclosure pursuant to the Freedom of Information Act, (2) Privacy Act requests, and (3) the disclosure to attorneys of the Department of Justice for use in cases referred by the Department of the Treasury for prosecution or defense that arise under the laws administered by or concerning ATF. The provisions, including the penalties, of 27 CFR 70.803 apply to any disclosure.

a. *Request or Demand for Disclosure.* A request or demand for information and, if required, an affidavit or statement, must be served on the Bureau at least 5 working days prior to the

scheduled date of testimony or disclosure of records. If a request or demand is served with less time, advise the requesting party of the requirement under 27 CFR 70.803 and that ATF is prohibited from complying with the request or demand until approval has been granted by the Bureau. These requirements may be waived for good cause.

b. *Headquarters Employees.* The first-line supervisor must obtain the concurrence of the Office of Chief Counsel.

c. *Non-Headquarters Employees.* The first-line supervisor must obtain the concurrence of the assistant U.S. attorney (if appropriate). The assistant chief counsel or division counsel must also be contacted for advice for approvals; however, recommendations for denial must have the concurrence of the appropriate assistant U.S. attorney and assistant chief counsel or division counsel.

d. *Recommendation for approval or denial of a request or demand for testimony or records.* It should be transmitted by memorandum to the deciding officer within 2 workdays and contain the following information as applicable:

- (1) Investigation title and number.
- (2) Type of request or demand.
- (3) Date and time the request or demand was received.
- (4) Whether an ongoing investigation might result in criminal prosecution.
- (5) Whether a criminal case is pending (also include U.S. attorney's recommendation).
- (6) Whether the documents requested contain the name of a confidential informant.
- (7) Whether the documents requested contain a disclosure covered by 26 U.S.C. sections 5848, 6103, 7213, or other protected information set forth in section 70.803(e)(5) of the ATF regulations.
- (8) Type of proceeding, including the name and location of the court or other authority.
- (9) Names of the plaintiffs and defendants.
- (10) Copy of the subpoena or written request.
- (11) Copy of the requesting party's affidavit if applicable.
- (12) For insurance-related arson requests, the name and address of the insurance investigator to whom disclosure will be made, as well as the

name and address of the insurance company the investigator represents.

(13) Whether there are any known reasons that release of the information would be inappropriate.

e. *Refusal to Withdraw Request.* If a request or demand is denied and a party refuses to withdraw its subpoena, the employee should do the following:

(1) Immediately notify the deciding officer through the first-line supervisor and contact a representative from the Office of Chief Counsel.

(2) If appropriate, appear with a representative from the U.S. attorney's office or a representative from the Office of Chief Counsel and respectfully state his or her inability to comply in full with the request or demand, relying on the provisions of 27 CFR 70.803.

f. *Additional Reporting.* Report any request or demand for testimony or records in accordance with ATF O 3210.7C, Investigative Priorities, Procedures, and Techniques, dated 2/25/1999.

6. *Questions.* If you have questions about this ATF order, contact the Regulations Division (202-927-8210).
