EPA congratulates these corporate leaders for setting goals to reduce billions of pounds of greenhouse gas emissions. It's the equivalent of eliminating the annual emissions of 5 million cars. Now, that's a healthy goal which can benefit us all. To learn how your company can become a Climate Leader, go to www.epa.gov/climateleaders.

Marketing Opportunity

- Opportunity to promote your partnership efforts through campaign extensions
 - ⑦ Tout your achievements

 - ✦ Sample tactics
 - ⑦ Pay Check Insert
 - ⑦ Email Newsletter
 - ⑦ Web Page
 - ⑦ Screen Saver
 - ⑦ Employee Pledge

Example: Bag Stuffer/ Pay Check Insert

We've taken big steps to help prevent global climate change by committing to significantly reduce our greenhouse gas emissions. By improving how we produce and use energy across all facets of our business, we're helping protect our environment for future generations. So, our loss is everyone's gain. To learn more about our efforts and to make a difference in your world, go to < Insert Partner appropriate URL here >.

See other side for information about what you can do at home.

MAKE YOUR HOME MORE ENERGY EFFICIENT.

ENERGY STAR® can help you do your part to prevent global climate change.

Use ENERGY STAR qualified light bulbs (CFLs)

- Use up to 66% less energy than incandescent bulbs
- Last up to 6-10x longer
- Are available in a variety of shapes and styles

Buy ENERGY STAR qualified appliances

- Clothes washers use 50% less energy and up to 15 gallons less water
- Dishwashers use 25% less energy
- Refrigerators and freezers use 40% less energy
- Room ACs use 10% less energy

Get a professional energy evaluation and make sure your home is properly insulated and sealed.
For more information about products and programs, go to www.energystar.gov.

Example: Register Topper/ Stanchion Sign/Static Cling

We've reduced our greenhouse gas emissions by XX billion pounds by improving our energy efficiency. That's the equivalent of eliminating the annual emissions of X million cars. To learn what we did to reach our goal and to find out how you can make your home or office more energy efficient, go to (Partner website) or www.epa.gov/climateleaders.

Working Together

We want to hear from you

- ◆ Are these marketing materials relevant to your business?
 - ✦ Are they practical for you to implement?
 - ✦ Which do you prefer?
- ◆ Would you be interested in doing a co-promotion with other partners?
- ◆ Which marketing tactics does your company commonly use?
- ◆ What have you done to promote your environmental programs in the past? Has Climate Leaders been a part of these efforts?
- ◆ How valuable do you find the Forbes supplement opportunity?

EPA can help you in your efforts

- ◆ Act as an extension of your team
 - ✦ Provide creative marketing support
 - ✦ Liaise directly with your marketing group
