STUDENT TEMPORARY EMPLOYMENT PROGRAM
STUDENT AGREEMENT

As a participant of the Student Temporary Employment Program, I understand that I will be assigned to a highway construction project located in one of the following states: Alaska, Idaho, Montana, Oregon, Washington, or Wyoming. In addition to my regular salary (paid biweekly), I will also receive project per diem (paid monthly) at no less than the standard CONUS (Continental United States) rate of $109.00 per day for the first 15 days on the project (short term) and no less than $62.60 per day for the duration of the assignment (long term rate). The only exception is when the assignment is in Yellowstone National Park where housing is provided. In Yellowstone, per diem is paid at the rate of $49.00 per day for the first 15 days (short term) and $44.84 per day thereafter (long term). Western Federal Lands will provide a travel advance up to $1000.00 to students who need funds to report to the project. I understand that the full amount of the advance will be deducted from the first month's per diem payment.

I understand that as part of this agreement I am responsible for keeping the Federal Highway Administration informed of my current address and phone number.

I am currently:
_____Enrolled or accepted for enrollment at an institute of higher learning.

Name of school/college: _____

I am currently a:

_____ College Freshman   _____ College Sophomore
_____ College Junior   _____ College Senior
_____ Graduate Student

I am currently seeking my:

_____ Vocational/Technical Certificate   _____ Master's Degree
_____ Associate's Degree   _____ Doctorate Degree
_____ Bachelor's Degree

My major is: _____

My minor is: _____

My anticipated Graduation date is: _____

_____   _____
NAME   DATE

(CONTINUE ON BACK)

The following shows my availability for work and school schedules (please fill in the blanks).

Dates – Month/Year	Available for Work	Returning to School
2007/08 School year		
2008/09 School year		
2009/10 School year		
Anticipated Graduation Date		

I understand the work periods are generally limited to summer only.
