		FY01 Projects	FY02 Projects	FY03 Projects										
Federal Highway Administration	Subsurface Geophysical Investigations for Retaining Walls, Pavements, and Bridge Foundations (CFL)	\$180,000			\$180,000									
	Alternative Pavement Selection Guidelines (council must approve workplan before add'l money approved) CFL	\$30,000			\$30,000									
	Using Non-Standard Materials in Construction.	\$25,000												
	Electronic Historical Final Construction Records (council wants a revise scope before add'l money approved) EFL	\$30,000			\$30,000									
	Evaluation of Avalanche Resistant Guard-wall (WFL)	\$20,000			\$5,000		\$5,000		\$10,000					
	Update Aesthetic Treatments Photo Album (WFL)	\$25,000				\$25,000								
	Weather Condition Monitoring (WFL)	\$55,000			\$5,000		\$50,000							
Federal Highway Administration	Continuing Education for FHWA Field Engineers in Digital Format (WFL)	\$150,000			\$100,000		\$50,000							
	Developing Specifications for Using Culvert Pipe (CFL)	\$40,000				\$40,000								
	Asphalt Binder Mix Fatigue Performance (WFL)	\$80,000				\$80,000								
	Crash Test Removable Guardrail Design (WFL)	\$84,000				\$84,000								
	Implementing the Stream Corridor Restoration Handbook (CFL)	\$85,000				\$85,000								
	Deploy High Performance Steels (CFL)	\$10,000				\$10,000								
	Low Water Crossings Modeling, Verification, and Computer Program (CFL)	\$120,000				\$120,000								
	Condition Inventory of Indian Reservation Roads (WFL)		\$75,000					\$75,000						
	Revegetation Effectiveness Monitoring (WFL)		\$185,000					\$35,000		\$75,000		\$75,000		
	Overheight detection at Yellowstone National Park entrance (WFL)		\$35,000					\$35,000						
Federal Highway Administration	Transportation Toolkit for Federal Lands Managers (CFL)		\$40,000				\$40,000							
	Electronic Library Spider (CFL)		\$25,000				\$25,000							
	Crash Test Removable Round Timber/steel Backed Guardrail		\$84,000				\$84,000							
	Development of automated parking monitoring system for Logan Pass GLAC (WFL)		\$175,000				\$25,000		\$150,000					
	Interferometric Synthetic Aperture Radar Measurements (CFL)						\$95,000							
	Development of an ITS plan and Traveler Information Website for Alternative Transportation in Mt. Rainier NP				\$200,000				\$75,000		\$125,000			
	Portable Vehicle Counting							\$20,000		\$45,000				
	Park Road Level of Service/Visitor Experience/Resource Composite Rating (WFL)			\$75,000					\$75,000					
	Portable Weight Monitoring of Vehicles on IRR (WFL)			\$200,000				\$200,000						
	Tribal Materials Quality Training (CFL)			\$20,000				\$20,000						
	Rockfall Catchment Area Design Guide Deployment (CFL)								\$30,000		\$10,000			
	Bicycle Use on Federal Lands (CFL)										\$96,000			
	Effectiveness of Fish Passage Culvert Design										\$25,000
