CASE NO.: 2007-SOX-00037

In the Matter of

**ANDREW M. CURRY**  
Complainant,

v.

**VOLT INFORMATION SCIENCES, INC. and  
VOLT TELECOMMUNICATIONS GROUP, INC.**  
Respondents,

**ORDER**

Complainant filed a claim under the Sarbanes Oxley Act of 2002 (SOX), Section 806 of the Corporate and Criminal Fraud Accountability Act of 2002, 18 U.S.C. § 1514A, et seq. The Secretary denied the claim on February 14, 2007 and the Complainant timely appealed. A hearing was scheduled for May 30, 2007. On May 9, 2007, Complainant filed a Motion to Dismiss based upon the fact that Complainant wished to file a complaint in the Southern District of New York for de novo review in this matter.

By correspondence dated August 10, 2007, Complainant forwarded a copy of the civil complaint in this matter, which was filed and stamped by the Clerk's Office in the United States District Court for the Southern District of New York.

Accordingly, Complainant's administrative complaint is no longer before this Court and is hereby **DISMISSED**.
