## Teacher-Ranger-Teacher

### Principal Support

I support \_\_\_\_\_ (name of teacher) in participating in the Teacher-Ranger-Teacher program at Fort Necessity National Battlefield. I understand there will need to be a signed Intergovernmental Agreement between the school district and the National Park Service. This agreement supports teachers working in national parks during the summer as park rangers, while developing activities that support the curricula of this school. I will allow this teacher to implement these activities in the classroom with my review and approval.

I will also allow this teacher to participate in the spring 2010 National Park Week. During that week, this teacher is allowed to wear the National Park Service uniform and give presentations about the summer experience in the national parks to the student body of this school. If funding is available for substitute teachers, this teacher is permitted to visit other schools during National Park Week.
