Technical Issues with Form 3540-8 and Form 3540-16

Software Requirements
You will need the Adobe Reader software version 8 or higher for both the pesticide establishment registration and reporting fill-in PDF forms. EPA recommends you use Adobe Reader 8.1.3.

- Download version 8.1.3 of Adobe® Reader®

- See EPA's PDF page to learn more about Portable Document Format (PDF) Files

About the forms:
- You are responsible for entering all required information.
- There is no computation, validation or verification of the information you enter.

Links Not Working using Adobe Reader 9
- Open Adobe 9 Reader. Press the control button and "K" to open the program preferences.

- Under the "Documents" submenu, make sure that the PDF/A view mode is set at "Never."

Files Do Not Open
- If you are using Adobe Reader 9, we have been informed by other users that this can sometimes cause your system to freeze due to issues with your browser (i.e., Internet Explorer, Firefox or Safari). We recommend you install Adobe Reader 8.1.3 instead.
