E. EXPORT/IMPORT/INTERSTATE AND FOREIGN COMMERCE OF PLANTS (ESA and/or CITES)

Allow at least 90 days for the application to be processed. Applications for endangered species under the ESA must be published in the Federal Register for a 30-day public comment period.

Complete all questions on the application. Mark questions that are not applicable with "N/A". Please use separate sheets of paper when answering these questions. On attachments or separate sheets you submit, indicate the application question number you are addressing. If you are applying for multiple species, be sure to indicate which species you are addressing in each response.

NOTE: This form should NOT be used to request authorization for commercial exports of plants that are artificially propagated in the United States. For such exports, applicants should complete form 3-200-33 (<http://www.fws.gov/forms/3-200-33.pdf>).

1. What activity are you requesting authorization to carry out?

EXPORT _____ IMPORT _____
INTERSTATE COMMERCE _____ FOREIGN COMMERCE _____

2. For EACH plant involved in the proposed activity provide:

- a. Scientific name (genus, species, and, if applicable, subspecies) and common name:
- b. Description of specimen (e.g., whole plant, cuttings, parts, products; size, height, length);
- c. Quantity of specimens;
- d. Source of specimen (wild or artificially propagated).

3. The current location of the specimens (address and country):

4. Recipient/Sender:

- If **export**, provide name and address of the recipient in the foreign country.
- If **import**, provide name and address of the exporter in the foreign country.
- If **interstate or foreign commerce**, provide name and address of recipient.

Name:

Business Name:

Address:

Address:

City:

State/Province:

Country, Postal Code:

SOURCE OF SPECIMENS (answer question 6 or 7 for each species/specimen, as appropriate):

5. For plants **taken from the wild**, provide the following for each species/specimen collected:
 - a. Scientific name;
 - b. Number and size class of specimens collected (e.g., 100 juveniles; 50 mature);
 - c. Specific location and date of collection for each specimen;
 - d. Who (name and address) collected the specimens;
 - e. Copies of documents that indicates that the plants were legally collected (e.g., State permits or licenses, landowner's permission, collection permits). Be sure to correlate each document to the corresponding specimen;
 - f. Approximate density (e.g., number of plants per acre) and distribution of the species at the collection site(s);
 - g. Collection methodology (e.g., whether the specimens were removed from an area of few to several patches of plants, percentage of specimens removed at a specific location); AND
 - h. Estimate the number of plants collected to how many plants remain at the location.
 - i. Describe efforts made to utilize artificially propagated specimens in lieu of taking plants from the wild.
 - j. If applicant did not collect specimens, provide the invoice or other chain of custody documentation that shows the name, address and telephone number of the person from whom you obtained the plants and the date of acquisition of the specimen. Documentation should trace back to the original collector.

6. For **artificially propagated** plants, provide documentation, such as receipts, showing the name, address and telephone number of the person from whom you purchased the plants and the date(s) of acquisition of each specimen and a statement, preferable from the propagator, on how the specimens were propagated (e.g., description of the nursery, propagation method, source and location of parental stock).

7. Provide a full statement justifying the proposed activity (e.g., export, import, interstate commerce, foreign commerce), including the following details:
 - a. Describe the purpose of your proposed activity. For example, if the purpose is scientific research, attach a copy of your research proposal outlining the purpose, objectives, methods (e.g., specific information on survey/collection methods, sampling regime, equipment to be used), and whether similar work has already been done or is currently being done. If the purpose is conservation education, provide copies of educational materials (e.g., handouts, text of signage or public presentations), and include the purpose and objectives of the proposed activity. If the purpose is for propagation for conservation purposes, provide a description of how the species will be propagated, disposition of progeny, and cooperative agreements that are/will be established for re-introduction.
 - b. Describe the technical expertise of each person as it relates to the proposed activities.
 - c. If the species is listed as endangered under the ESA, describe how the activities will enhance or benefit the wild population.
 - d. If the requested activity involves native species, provide information to show that the activity is consistent with any recovery plan for the species.
 - e. Provide copies of contracts or agreements or other permits that identify persons involved and dates of activities for which the permit is sought.

8. If the proposed activity includes propagating or maintaining live plants at your facility, provide the following:
- Approximate number of specimens you currently maintain for each species requested.
 - Describe the propagation method (e.g., seed, cutting, mericlone) used.
 - Describe the conditions where the plants are grown and provide photographs of your facilities.
 - Describe your background and experience working with this or similar species, including
 - the number of years each species has been cultivated by you; and
 - the number of plants successfully propagated annually.
 - Discuss your willingness to participate in a cooperative propagation program and maintain or contribute data regarding your propagation success with the species.
 - Provide a copy of your State license and U.S. Department of Agriculture General permit, as appropriate.
9. If **import** or **export**, provide:
- Copy of any required foreign permits (for CITES Appendix-I plants provide a copy of import permit or evidence a permit will be issued). If plant is to be taken from the wild, provide documentation from the foreign government approving the action.
 - Describe: (i) the type, size, and construction of shipping containers and (ii) the arrangements for watering and caring for the specimens during transportation.
 - A statement on the disposition of all imported plants, plant material, and progeny, if produced.
10. Name and address where you wish permit mailed, **if** different from page 1 (All permits will be mailed via the U.S. Postal Service, unless you identify an alternative means below):
11. If you wish the permit to be delivered by means other than USPS regular mail, provide an air bill, pre-paid envelope, or billing information. If you do not have a pre-paid envelope or air bill and wish to pay for a courier service with your credit card, please check the box below. Please **DO NOT** include credit card number or other information; you will be contacted for this information.
- If a permit is issued, please send it via a courier service to the address on page 1 or question 9. I understand that you will contact me for my credit card information once the application has been processed.
12. Who should we contact if we have questions about the application? (Include name, phone number, and email):
13. **Disqualification Factor.** A conviction, or entry of a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act disqualifies any such person from receiving or exercising the privileges of a permit, unless such disqualification has been expressly waived by the Service Director in response to a written petition. (50 CFR 13.21(c)) Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?
- ___ Yes ___ No If you answered “Yes” provide: a) the individual’s name, b) date of charge, c) charge(s), d) location of incident, e) court, and f) action taken for each violation.

APPLICATION FORM INSTRUCTIONS

The following instructions pertain to an U.S. Fish and Wildlife Service (FWS) permit applications. The General Permit Procedures in [50 CFR 13](#) address the permitting process. For simplicity, all licenses, permits, registrations, and certificates are referred to as a permit.

GENERAL INSTRUCTIONS:

- Complete all relevant questions in Sections A or B, C, D, and E.
- **An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.**
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application in **blue** ink. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the address at the top of page one of the applications or, if applicable, on the attached address list.
- **Keep a copy of your completed application.**
- **Please plan ahead. Allow at least 60 days for your application to be processed, however, some applications may take longer than 90 days to process (50 CFR 13.11).**
- Applications are processed in the order they are received.

SECTION A OR SECTION B:

Section A. **Complete if applying as an individual [do not complete this section if applying for Import/Export License (3-200-3)]:**

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. **Fax and e-mail, while helpful in processing, are not required.**
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing **power of attorney** must be included with the application.
- **Affiliation/ Doing business as (dba):** business, agency, organizational, Tribe, or institutional affiliation *directly* related to the activity requested in the application (e.g., a taxidermist is an individual whose business can *directly* relate to the requested activity). The Division of Management Authority (DMA) and the Office of Law Enforcement (OLE) do **not** accept *doing business as* affiliations for individuals (complete Section B)..

Section B. **Complete if applying as a business, corporation, public agency, Tribe, or institution:**

- Enter the complete name of the business, agency, or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in. Provide contact phone number(s) of the business. If you are applying on behalf of a client, a document evidencing power of attorney must be included with the application.
- **Principal Officer** is the person in charge of the listed business, corporation, public agency, Tribe, or institution. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business, corporation, public agency, or institution who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

ALL APPLICANTS COMPLETE SECTION C:

- For all applications submitted to the Division of Management Authority (DMA) and Office of Law Enforcement (OLE), a physical U.S. address is **required**. Province and Country blocks are provided for those USFWS programs that use foreign addresses and are not required by DMA.
- **Mailing address** is the address to which communications from USFWS should be mailed if different from applicant's physical address.

ALL APPLICANTS COMPLETE SECTION D:

Section D.1 **Application processing fee:**

- An application processing fee is required at the time of application, unless exempted under 50 CFR 13. The application processing fee is assessed to partially cover the cost of processing a request. **The fee does not guarantee the issuance of a permit, nor will fees be refunded for applications for which processing has begun.**
- **Documentation of fee exempt status is not required for applications submitted by Federal, Tribal, State, or local government agencies; but must be supplied by those applicants acting on behalf of such agencies.** Such applications must include a letter on agency letterhead and signed by the head of the unit of government for which the applicant is acting on behalf, confirming that the applicant will be carrying out the permitted activity for the agency.

Section D.2 **Federal Fish and Wildlife permits:**

- List the number(s) of your most recent issued USFWS permit. If applying for re-issuance of a CITES permit, the original permit must be returned with this application.

Section D.3 **CERTIFICATION:**

- **The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink.** This signature legally binds the applicant to the statement of certification. You are certifying that you have read and understand the regulations that apply to the permit. You are also certifying that all information included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

 - c. Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21;
 - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et seq.*), 50 CFR 18;
 - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15;
 - f. Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16;
 - g. Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), <http://www.cites.org/>, 50 CFR 23;
 - h. General Provisions, 50 CFR 10;
 - i. General Permit Procedures, 50 CFR 13; and
 - j. Wildlife Provisions (Import/export/transport), 50 CFR 14.
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Disclosures outside the Department of the Interior may be made without the consent of an individual under the routine uses listed below, if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003)
 - a. Routine disclosure to subject matter experts, and Federal, Tribal, State, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
 - b. Routine disclosure to the public as a result of publishing **Federal Register** notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
 - c. Routine disclosure to Federal, Tribal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
 - d. Routine disclosure to Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
 - e. Routine disclosure to Federal, Tribal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
 - f. Routine disclosure to the Department of Justice, or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances.
 - g. Routine disclosure to the appropriate Federal, Tribal, State, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
 - h. Routine disclosure to a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
 - i. Routine disclosure to the Government Accountability Office or Congress when the information is required for the evaluation of the permit programs.
 - j. Routine disclosure to provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for information collection varies depending on the activity for which a permit is requested. The relevant burden for an Export/Import/Interstate and Foreign Commerce of Plants application is 60 minutes. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 2042-PDM, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(e)(4), 43 CFR 2.15(d)(1)(i)].
