Account, rather than I have written two long letters to  
 you to send you this specimen of Mullikin in which  
 I send you, it will probably start to move on the  
 fighting between our friends & those, I have paid for  
 300 copies of an out-published book & when all could be  
 in many of them expensive, this is one of the best copy copies  
 paid for in about four weeks of when we are going off our  
 hands, from which I send in all of our copy & all of my  
 money of the Cambridge Mountains for miles, I mean the  
 of - for the present, but when I have seen some of the  
 of the same.

De Montmorency Dury

Dear Sir, I have had some letters to  
write to you this afternoon of which I  
will probably start to know for the  
lighting between our friends & them, as I have  
300 copies of our cut and pocket lines & also  
the many of them are printed, this is one of the  
best I got in about four miles of them. We  
have, from what I could see, all of them &  
George's of the Cumberland Mountains, as  
you see, you are not, but who is to be  
seen here's worth one of  
the best of them.

I CERTIFY that the above account is correct and just, and that the articles have been ac-  
counted for on my Property Return for the quarter ending on the
