Dear Mr. Eviston:

Thank you very much for the copy of the photograph of General William B. Hazen, which was in the belongings of your great-grandfather, Orsamus Booth.

The park historian, Mr. Daniel Brown, reports that the 41st Ohio Volunteer Infantry was part of Hazen's Brigade that defended the critical portion of the field known as the "Round Forest". The regiment was noted for its valor by General Hazen in his official report. I am enclosing a copy of General Hazen's report and the report of Lieutenant Colonel Aquila Wiley of the 41st.

Sincerely,

*Agd. Donald E. Magee*
