Dear Sirs:

I would like to order the items listed on the attached page and have enclosed a check in payment. Thank you.

Sincerely,

Charles Keller

P.S. I thought you might find the enclosed photograph of three of my family to be of some interest, since two of them fought at Stones River. Capt. Amos and Lieut. Aaron Keller were both mortally wounded in the initial Confederate attack against the Union right wing. The three served in the 49th Ohio Volunteer Infantry (company C).
