ON THIS 27th day of June A. D. 1892, personally appeared before me

J W Pope Notary Public in and for the aforesaid County duly authorized to administer oaths

Wm H Kimbber aged 57 years, a resident of Pikeville

in the County of Blount and State of Tennessee

whom I know to be reputable and entitled to credit, and who being duly sworn, declared in relation to aforesaid

(Note - Affiants should state how they came to a knowledge of the facts to which they testify)

The stiffness of my hand was caused by a  
wound, last September and October, I had been  
digging stone with a pick, I made a blood blister  
on my hand, the blister did not appear to amount  
to much, but about the time it got closed my  
hand began to swell, and swelled very much  
when I got it open it ran at the place the  
blister was and ran a great deal, I thought  
it would be all right when it got well, but  
it remains stiff and is stiff just about  
the same as when I was examined, and  
the disability is permanent and  
is not the result of nervous habits

Post office address is Pikeville Blount Co Tenn

Further declare that I have no interest in said case and am not concerned in its prosecution

Sir:

The above cited claim requires, in addition to the evidence on file, a verified copy of the public or church record of the claimant's marriage to the soldier; or, if that cannot be obtained, the sworn statements of two persons who were present at the marriage, showing the date thereof.

Your certificate of marriage filed August 2, 1923, is not satisfactory proof of marriage as it is not under seal or oath.

The claimant's sworn statement as indicated in the accompanying circular letter should also be furnished.

No affidavit can be considered satisfactory that fails to show affiant's age, post office address and means of knowledge of the facts stated.

Do not fail to subscribe on each paper furnished the name and service of the soldier and the number of the claim to which it refers.

Respectfully,
