Dear Mother I take the time to let
you know that I am well and hope
these few lines will find you well
I have got several letters from you
since I have written to you but
you cannot blame me when you
hear the reasons you know
the rebels broke through our line
and made for Fort Fisher so we
had to go after them and this
is the way we were
the march and we did not get
a chance to write, we did have
some flying lines we don 14 days
on 5 days rations and part of the
time nothing, but we were
not discouraged, but all look
cheerful, but thank God that
time is over, and we have
got into a land of plenty again
the last time I saw Curt he was
at Bowling Green he was with the
troops and the report is that they
were captured but I don't know
how true it is

well if I had I have not
much more to write so I
will tell you of some of the
things I have in the works & also
the way I am but I must
close your love
