

How do I access ACE for the first time?

1. Receive an email from **aceuserservice** with login information

Note: If you do not receive an **aceuserservice** email, then call a SCO for assistance. For information on the current SCO, login to the **PGA Resource Center**.

2. Complete training for ACE, located on the **PGA Resource Center**
3. Click the link in the email and type your **Shared Secret** to obtain a temporary password. For information on your Shared Secret:
 - Login to the **PGA Resource Center**
 - Click the **User Support** link in the left panel
 - Click on **What is my Shared Secret?**
