

GARD Sidebar for Health-Care Professionals' Newsletters

The following sidebar is designed for use in newsletters aimed at health-care professionals. It is intended to accompany the main article describing the free services offered by the Genetic and Rare Diseases Information Center.

How to Contact GARD

The Genetic and Rare Diseases Information Center is a free resource offered by the National Institutes of Health that provides reliable information on genetic and rare diseases. Health-care professionals and patients can tap into GARD's resources at:

Web: <http://rarediseases.info.nih.gov/GARD>

E-mail: GARDinfo@nih.gov

Phone: (888) 205-2311

TTY: (888) 205-3223

Fax: (240) 632-9164

Mail: P.O. Box 8126, Gaithersburg, MD 20898-8126
