SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994 (Title IV of the Improving America's Schools Act of 1994) (Pub. L. 103–382).

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress. The Board is responsible for selecting subject areas to be assessed, developing assessment objectives, identifying appropriate achievement goals for each grade and subject tested, and establishing standards and procedures for interstate and national comparisons.

On Thursday, July 31, 1997, the Subject Area Committee will meet in closed session from 8:30 a.m. to 5:00 p.m. The Committee will be reviewing items for the 1998 writing assessment. This meeting must be conducted in closed session because references will be made to specific items from the assessment and premature disclosure of the information presented for review would be likely to significantly frustrate implementation of a proposed agency action. Such matters are protected by exemption (9)B of section 552b(c) of Title 5 U.S.C.

Also, there will be partially closed meetings of the Achievement Levels and the Executive Committees. The Achievement Levels Committee will meet in partially closed session from 2:00–4:15 p.m. During the closed portion of this meeting, the Committee will continue discussion of the results of the current 1996 science level-setting activities, review the current analysis of data and proposed exemplar items, the new description to interpret the levels, and formulate recommendations for

Board action. This meeting must be closed because references will be made to specific items from the assessment and premature disclosure of the information presented for review would be likely to significantly frustrate implementation of a proposed agency action. Such matters are protected by exemption (9)(B) of Section 552b(c) of Title 5 U.S.C. In open session, 4:15–5:00 p.m., the Achievement Levels Committee will hear a briefing on the new contract to set levels in civics and writing.

The Executive Committee will meet in closed session from 6:30–7:00 p.m., to discuss the development of cost estimates for NAEP and future contract initiatives. Public disclosure of this information would likely have an adverse financial effect on the NAEP program. The discussion of this information would be likely to significantly frustrate implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of Section 552b(c) of Title 5 U.S.C. In the open session from 5:00–6:30 p.m., the Executive Committee will be briefed by staff on NAEP reauthorization and the Voluntary National Test initiative.

On August 1, the full Board will convene in open session at 8:30 a.m. The agenda for this session of the full Board meeting includes approval of the agenda, the Executive Director's Report, a discussion on the status of the Voluntary National Test and its relationship to NAEP, and an update on the NAEP project. Between 10:00 a.m. and 12:00 noon, there will be open meetings of the following subcommittees: Design and Methodology, Reporting and Dissemination, and a joint meeting of Subject Area Committees #1 and #2. The Design and Methodology Committee will continue discussion of redesign issues and formulate final recommendations for Board consideration. Agenda items for the Reporting and Dissemination Committee include review of the Board policy on market basket reporting, and briefings on the reporting of the NAEP Arts Assessment, and the release plan for 1996 Long-Term Trends Report.

The Joint Subject Area Committees #1 and #2 will discuss issues related to the NAEP redesign. State-NAEP linking and the draft Board policy on framework development are the agenda items.

The full Board will reconvene in open session at 12:00 noon to hear a briefing on the 1996 TIMSS 4th Grade Science Report. The full Board will then meet in closed session from 1:15–3:30 p.m. From 1:15–2:15 p.m., the Board will
