

SECURITIES AND EXCHANGE COMMISSION
Washington, D.C.

SECURITIES EXCHANGE ACT OF 1934
RELEASE NO. 56988 / December 19, 2007

SEC SUSPENDS TRADING IN THE STOCK OF SCORE ONE, INC. AND PHYSICAL PROPERTY HOLDINGS, INC.

As part of its Anti-Spam Initiative, the Securities and Exchange Commission (“Commission” or “SEC”) today announced the temporary suspensions, pursuant to Section 12(k) of the Securities Exchange Act of 1934 (the “Exchange Act”), of trading in the securities of Score One, Inc. (“Score One”) and Physical Property Holdings, Inc. (“Physical Property”), commencing at 9:30 a.m. EST on December 19, 2007, and terminating at 11:59 p.m. EST on January 3, 2008. The securities of Score One and Physical Property are dually quoted on the Over-the Counter Bulletin Board and Pink Sheets under the symbols “SREA” and “PPYH,” respectively.

The Commission ordered these trading suspensions because of questions that have arisen regarding the adequacy and accuracy of the companies’ press releases and other publicly-disseminated information concerning the companies’ assets, current business operations, current financial condition, the issuance of the companies’ securities, and transactions in the companies’ stock by insiders, consultants, and other individuals and entities.

The Commission cautions brokers, dealers, shareholders, and prospective purchasers that they should carefully consider the foregoing information along with all other currently available information and any information subsequently issued by Score One and Physical Property.

Further, brokers and dealers should be alert to the fact that, pursuant to Rule 15c2-11 under the Exchange Act, at the termination of the trading suspensions, no quotation may be entered unless and until they have strictly complied with all of the provisions of the rule. If any broker or dealer has any questions as to whether or not it has complied with the rule, it should not enter any quotation but immediately contact the staff in the Division of Trading and Markets, Office of Interpretation and Guidance, at (202) 551-5760. If any broker or dealer is uncertain as to what is required by Rule 15c2-11, it should refrain from entering quotations relating to Score One’s and Physical Property’s securities until such time as it has familiarized itself with the rule and is certain that all of its provisions have been met. If any broker or dealer enters any quotation that is in violation of the rule, the Commission will consider the need for prompt enforcement action.

The Commission acknowledges the assistance of the Hong Kong Securities and Futures Commission.
