What Is the Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA)?

CHAMPVA is a health benefits program in which the Department of Veterans Affairs (VA) shares the cost of certain health care services and supplies with eligible beneficiaries (see *Who Is Eligible*). CHAMPVA is managed by the VA's Health Administration Center (HAC) in Denver, Colorado. We process CHAMPVA applications, determine eligibility, authorize benefits and process medical claims. We strongly recommend that all your inquiries about CHAMPVA be made directly to us.

What Is the Relationship between CHAMPVA and TRICARE?

Both are federal programs, however, an individual who is eligible for TRICARE is not eligible for CHAMPVA. Although similar, TRICARE, which is administered by the Department of Defense (DoD), should not be confused with CHAMPVA.

Benefits

In general, CHAMPVA covers most health care services and supplies that are medically necessary. Special rules and/or limitations do apply to certain services. Some services (even when prescribed by a physician) are not covered under CHAMPVA. Clarification of covered/noncovered services, as well as limitations, can be obtained by calling us at 1-800-733-8387. Who Is Eligible?

When they are **not** eligible for TRICARE, CHAMPVA provides coverage to the spouse or widow(er) and to the children of a veteran who:

- is rated permanently and totally disabled due to a service-connected disability, or
- was rated permanently and totally disabled due to a service-connected condition at the time of death, or
- died of a service-connected disability, or
- died on active duty

Spouse: Eligibility ends if the marriage to the veteran is terminated by divorce or annulment.

Widow(er): Eligibility ends if the widow(er) remarries prior to age 55.

Termination of Remarriage:

A widow(er) of a veteran who remarries and the remarriage is later terminated by death, divorce, or annulment may reestablish CHAMPVA eligibility. The beginning date for this new period of eligibility is the first day of the month after termination of the remarriage or December 1, 1999, whichever is later.

Child: Eligibility for CHAMPVA ends when:

- a child turns 18, unless enrolled in an accredited school as a full-time student,
- a child, who has been a full-time student, turns 23,
- a child marries (as of midnight on the date of marriage), or
- a stepchild no longer lives in the household of the veteran.

Medicare Entitlement and CHAMPVA Eligibility

CHAMPVA is the last payer after Medicare and other health insurance plans.

If you are entitled to Medicare Part A and are under age 65, you must have Medicare Part B to be covered by CHAMPVA.

Effective October 1, 2001, CHAMPVA benefits were extended to beneficiaries age 65 and older. If you are entitled to Medicare Part A and are age 65 or older, you will most likely be required to have Medicare Part B to be covered by CHAMPVA. The one exception to this requirement is if you were otherwise eligible for CHAMPVA and you were entitled to Medicare Part A and you did not elect Medicare Part B, all prior to June 5, 2001.
