

Bayou Cocodrie

National Wildlife Refuge

Hunting and Fishing Regulations 2006-2007

There will be a special feral hog open hunt this year in an effort to control feral hog populations on the refuge. Permitted hunters will be allowed to still hunt from the ground or from tree stands with modern firearms. Hunter orange requirements apply and are the same as for deer hunting. Hunting with dogs is not allowed nor is the use of bait permitted. There is no limit on hogs but all hogs taken must be recorded on the harvest data sheet at the check station. ATV trails will be open for this special hunt and ATV's are restricted to designated ATV trails. The refuge ask hunters to be extra careful when taking feral hogs during this hunt because feral hogs and Louisiana Black Bears are both black in color.

Access

All motor vehicles are restricted to refuge parking areas or parish roads. ATVs are restricted to designated ATV trails and are only allowed from September 1 through Feb. 28. **Using an ATV to travel off a designated trail in order to retrieve game, or for any other reason, is strictly prohibited.** An all-terrain vehicle (ATV) is a 3 or 4 wheeled off-road vehicle with factory specifications not to exceed the following: weight 750 lbs. (337.5 kg), length 85 inches (212.5 cm), and width 48 inches (120 cm). We restrict ATV tires to

those no larger than 25 X 12 with a maximum 1-inch (2.5 cm) lug height and a maximum allowable tire pressure of 7 psi as indicated on the tire by the manufacturer. Only trailers with flotation-type tires may be used on the ATV trails. Parking areas and ATV trails may be closed to all use due to adverse conditions. Hunters must not block any gate, road, entrance, or trail with their vehicle.

All state boating regulations apply including, but not limited to, running lights, registration, and personal floatation devices. Boats may be used to access the refuge from Bayou Cocodrie or Cross Bayou. Entering the refuge from U.S. Highway 84 is prohibited. All boats used to access the refuge must be docked on the banks of the refuge. Boats used on the refuge may not be left on the refuge for more than **3 days** and must be clearly marked with the name and home address of the person using the boat. Horses and mules are not allowed. Bicycles are allowed year round and are restricted to designated trails.

Specific Fishing Regulations

State creel limits apply.

Fishing is permitted during daylight hours only.

Taking or harassing alligator snapping turtles is prohibited.

Fishing is permitted on the Cross Bayou Cut and all tributaries that fill with water from Bayou Cocodrie during high water stages.

The refuge boat ramp is open from 2 hours before sunrise until 2 hours after sunset.

Prohibited Activities

The following activities are prohibited on the refuge:

Entering the refuge from private property.

The use or possession of alcoholic beverages or illegal drugs.

Baiting or hunting over bait, and the possession of bait. Bait is defined as feed such as corn, wheat, salt, sweet potatoes or other feed to constitute a lure or enticement.

Possession of any type of shot other than approved non-toxic shot.

Taking, collecting or disturbing any plant (including cutting trees or brush) or wildlife other than as specified in the refuge regulations.

Target shooting.

Climbing trees by driving nails, spikes, or other metal objects; using a tree that has existing nails, spikes or metal objects; or using climbing spikes.

Use or possession of climbing spikes, screw-in steps, or other deer stand accessories that screw in or otherwise penetrate the cambium of trees.

Hunting within 150 feet of a designated refuge road or trail. A designated trail is defined as any refuge trail that is marked with numbered trail markers and/or paint on trees along the trail route.

Hunting in designated "No Hunting Zones" and/or entering into designated "Closed Areas".

Marking areas with flagging, paper, paint, etc. and/or possession of marking materials.

Use of horses or mules.

Camping/overnight parking.

Bayou Cocodrie Refuge Hunting and Fishing Permit 2006-2007

When signed and in your possession, this serves as your hunting and/or fishing permit, and acknowledges your understanding of the regulations contained herein.

Signature (permit is non-transferable)

Bayou Cocodrie National Wildlife Refuge

Bayou Cocodrie National Wildlife Refuge, established in 1992, is located in Concordia Parish in east central Louisiana. The 14,668 acre refuge is composed of some of the last remaining, least disturbed bottomland hardwoods in the Mississippi River Delta. Due to the area's diverse habitat, several wildlife species including game mammals, waterfowl, and Neotropical songbirds, utilize the refuge. The refuge is open year round to the public. However, hunting is only permitted on the refuge during specific times of the year.

General Regulations

Hunting and fishing regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting is permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations. Hunting will be in accordance with applicable State regulations subject to the following conditions.

Passes, Permits, and Other Requirements

Permits: Hunters and anglers 16 years of age and older are required to possess and carry all valid state hunting and/or fishing licenses and a signed refuge permit. When signed and in your possession, the permit section of this brochure serves as your refuge hunting and/or fishing permit for all refuge activities except the lottery gun hunt, special access lottery hunt, and youth lottery hunts, and acknowledges your understanding of the regulations contained herein. To help save tax dollars, hunters and anglers are encouraged to retain and use the same permit throughout the entire season. Permits can be obtained at the refuge headquarters, or by telephone, written, or emailed request, and are available online at www.fws.gov. Permits are non-transferable.

Special limited permits are required for the lottery gun hunt for deer. There is a \$12.50 fee for permits and permits are **non-transferable** and **non-refundable**. Applications for limited permits will be accepted from July 1 until 4:00 PM on August 31, 2006. **To apply, mail the following information to the refuge office:**

- your name
- complete mailing address
- date of birth
- choice of unit to hunt (Brooks Brake, Cross Bayou, or Wallace Lake)
- signature

■ use a standard (8.5 X 11 inch) sheet of paper

■ you may only apply once

■ you must specify which unit you wish to hunt

■ to be considered a group, all information for the group (up to 5 individuals) must appear on the same sheet of paper

■ do not send payment with your application

Duplicate or incomplete applications will be discarded. Successful applicants will be notified by mail and given details on how to submit the permit fee. Hunters under 16 years of age must be supervised by an adult 21 years of age or older and must possess proof of completion of an approved Hunter Safety Course. Only those persons with valid hunt permits are allowed to use the refuge during the gun hunt.

Special limited permits are also required for the special hog hunt, the lottery youth, and special access deer hunts. Applications for these hunt permits will be accepted from, July 1 until 4:00 pm on August 31, 2006, via the same procedure described above. Only individual applications are accepted for the Lottery Youth Hunts and the Special Access Deer Hunt. Hunters between the ages of 8 and 15 years, inclusive, who have successfully completed hunter education, are eligible to apply for the lottery youth hunts. Youth hunt applicants must specify which hunt they wish to apply for and you may only apply for one of the hunts. **Hunters who are permanently dependent on a wheelchair** are eligible to apply for the special access lottery hunt. Applications must include a copy of the LDWF Disabled Hunter Card and **a doctor's certification stating the permanent nature of the wheelchair dependency**. Applicants for the youth hunts and the special access hunt must specify if you are applying for the North area (Tiffee field near the refuge headquarters), or South area (Esque field near the Cross Bayou Check Station). Permits are non-transferable and only successful applicants will be notified.

Other Requirements

All refuge users are required to sign in at a designated check station upon entering the refuge and sign out upon their departure. It is recommended that users leave some indication of where they intend to be on the dashboard of their vehicle in the event of an emergency. Refuge users may enter the refuge no earlier than 2 hours before legal sunrise and must exit the refuge by 2 hours after legal sunset except that Raccoon and Opossum hunters may use the refuge at night during the month of February.

Use of a safety harness at all times while using a tree stand is not only recommended, but just plain smart. Emergency medical assistance may be hours away so if a fall doesn't kill you, you could be in pain for a long time. Avoid becoming a statistic - **WEAR YOUR SAFETY HARNESS**.

Bows and Firearms

Bowhunters must possess and carry proof of completion of the International Bowhunters Education Program when bowhunting on the refuge.

Bows are permitted only during the refuge archery hunt. State regulations governing equipment, including, but not limited to, drug tipped arrows, pods, broadhead size, etc., are applicable. Louisiana Department of Wildlife and Fisheries regulations governing crossbow use will apply to refuge hunters.

The possession of slugs or rifle ammunition larger than .22 caliber rimfire is prohibited during the refuge small game and woodcock seasons. Possession of buckshot is prohibited. Possession of lead shot or any shotgun ammunition other than approved, non-toxic shot is prohibited on the refuge except that rifled slugs are permitted during the lottery deer hunts.

Firearms carried in vehicles or boats and on ATVs must be **unloaded and encased**.

Loaded is defined as shells in the gun's magazine or chamber, or percussion caps/primers on or in muzzleloaders. Encased is defined as fully enclosed in a covering

designed for carrying a firearm. Firearms are permitted on the refuge only during the applicable gun hunts. Possession of any firearm while engaged in archery hunting is prohibited.

Physically challenged or disabled users are encouraged to consult refuge staff for available options and alternatives that may make their visit more enjoyable. Hunters with disabilities must possess a Disabled Hunter Permit issued by the Louisiana Department of

Wildlife and Fisheries. Special access ATV trails are available for mobility-impaired hunters and hunters 60 years of age and older with proper state and refuge permits.

Specific Hunting Regulations

State bag limits apply unless otherwise specified. The only seasons open are listed in this brochure.

Hunting from old stands erected in past years, erecting permanent stands or blinds, or using old structures/camps

is prohibited. Old dilapidated stands and structures are unsafe for any use.

Hunter Orange is required during all refuge deer hunts except the archery season. Four hundred (400) square inches of **unbroken** Hunter Orange and a cap of **unbroken** Hunter Orange must be worn on the outermost layer of clothing at all times during these hunts, **including on the ATV trails and while in stands**. Hunters who use backpacks or carry stands on their backs should be mindful that those objects cover much of their hunter orange and therefore should carry extra orange to drape over the stand or backpack. We also require persons hunting from ground blinds display a minimum of 400 square inches of hunter orange on the OUTSIDE of the blind and that the orange be visible from 360 degrees around the blind. A Hunter Orange cap is also recommended during the small game, archery, and woodcock hunts.

Any hunter under 16 years of age must possess and carry proof of completion of an approved Hunter Safety Course and be accompanied at all times by an adult 21 years of age or older. Each adult can supervise (within sight and normal voice contact) only one youth. Waterfowl hunters may supervise up to 2 youth hunters. Hunters using shotguns to hunt on the refuge are required to use an approved non-toxic shot. Possession of lead shot is prohibited.

During the youth deer hunts, only the youth is permitted to carry a firearm. It is illegal to hunt or shoot deer with firearms smaller than a .22 caliber center-fire or a shotgun loaded with anything other than rifled slugs. Possession of buckshot is prohibited.

All game taken on the refuge must be checked daily at one of the self-clearing check stations indicated on the map in this brochure. A more detailed map is available at the refuge headquarters for reference only. The map does not substitute for a refuge permit.

Stands used on the refuge may not be put up until the **opening day** of archery season and must be removed by the end of the **last day** of archery season. Any stand left on the refuge past the end of the archery season will be considered abandoned and therefore property of the U.S. Government. It is highly recommended that stands not be left on the refuge for more than 3 days and that they are visited every day while they are on the refuge. Stands used on the refuge must be clearly marked with the name and address of the person using the stand.
