U.S. PRODUCERS' QUESTIONNAIRE

POLYVINYL ALCOHOL FROM CHINA, JAPAN, AND KOREA

This questionnaire must be received by the Commission by no later than November 20, 2008

See page 4 of the Instruction Booklet for filing instructions.

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its review of the antidumping duty orders concerning polyvinyl alcohol ("PVA") from China, Japan, and Korea (inv. Nos. 731-TA-1014, 1016, and 1017 (Review)). The information requested in the questionnaire is requested under the authority of the Tariff Act of 1930, title VII. This report is mandatory and failure to reply as directed can result in a subpoena or other order to compel the submission of records or information in your possession (19 U.S.C. § 1333(a)).

PART I.—GENERAL INFORMATION

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 50 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

Net income or (loss) before income taxes					
Depreciation/amortization included above					

¹ Include only sales (whether domestic or export) and costs related to your U.S. manufacturing operations.

² Please indicate the amount of profits or (losses) on inputs from related firms that were eliminated pursuant question III-9:

PART III.--FINANCIAL INFORMATION--Continued

Year 1	Year 2	Year 3	Year 4	Year 5	
³ Less discounts	, returns, allov	wances, and pre	epaid freight.	The quantities a	nd values should approximate the
corresponding sh	ipment quanti	ties and values	reported in Pa	art II of this quest	tionnaire.
					nsfers to related firms.
⁵ Please report f	unds received	d under this act	in the period(s	s) in which they v	were received. Do not report these funds as
					an offset to operating expenses

III-11b. Operations on PVA.--Report the revenue and related cost information requested below on the PVA operations of your U.S. establishment(s). Do not report resales of products. Note that internal consumption and transfers to related firms must be valued at fair market value and purchases from related firms must be at cost. Provide data for the specified interim periods. If your firm was involved in tolling operations (either as the toller or as the tollee) please contact Charles Yost at (202) 205-3432 before completing this section of the questionnaire.

ltem	January-September 2007	January-September 2008
Net sales quantities: ³

All other income or expenses, net		

¹ Include only sales (whether domestic or export) and costs related to your U.S. manufacturing operations.

² Please indicate the amount of profits or (losses) on inputs from related firms that were eliminated pursuant question III-9: January-September 2007 _____ January-September 2008 _____.

³ Less discounts, returns, allowances, and prepaid freight. The quantities and values should approximate the corresponding shipment quantities and values reported in Part II of this questionnaire.

⁴ COGS should include costs associated with internal consumption and transfers to related firms.

⁵ Please report funds received under this act in the period(s) in which they were received. Do not report these funds as an offset to operating expenses.

III-12. Asset values.--Report the total assets associated with the production, warehousing, and sale of PVA. If your firm does not maintain some or all of the specific asset data in the normal course of business, please estimate it based upon some rational method (such as production, sales, or costs) that is consistent with your cost allocations in the previous question. Your finished goods inventory value should reconcile with the inventory quantity data reported in Part II. Provide data as of the end of your six most recently completed fiscal years in chronological order from left to right.

	/alue (<i>in</i> \$1,0	200)		
Item			 	
Assets associated with the production, warehousing, and sale of product:				
1. Current assets:				
A. Cash and equivalents				
B. Accounts receivable, net				
C. Inventories (finished goods)				
D. All other (describe:)				
E. Total current assets (lines 1.A. through 1.D.)				
2. Property, plant, and equipment				
A. Original cost of property, plant, and equipment				
B. Less: Accumulated depreciation				
C. Equals: Book value of property, plant, and equipment				
3. All other (describe:)				
4. Total non current assets				
5. Total assets (lines 1.E., 2.C., 3 and 4)		_		

III-13. <u>Capital expenditures and research and development expenditures</u>.--Report your firm's capital expenditures and research and development expenditures on PVA. Provide data for your six most recently completed fiscal years in chronological order from left to right, and for the specified interim periods.

PART IV.--PRICING AND MARKET FACTORS

Further information on this part of the questionnaire can be obtained from Catherine DeFilippo (202-205-3253, catherine.defilippo@usitc.gov) or William Greene (202-205-3405, william.greene@USITC.GOV)

IV-1.	Who should be contact	uld be contacted regarding the requested pricing and related information?		
	Company contact:	Name and title		
		() Phone number	E-mail address	

PRICE DATA

This section requests quarterly quantity and value data on your firm's U.S. commercial shipments (**sold in bulk** (<u>i.e.</u>, **packed in railcars rather than in bags**)) to unrelated U.S. **end user** customers of the following products during January 2003-September 2008.

<u>Product 1.</u>—PVA for use in textile applications with a range of hydrolysis between 95-100 (percent) and a viscosity between 20-35 (centipois)

<u>Product 2</u>.--PVA for use in adhesive applications with a range of hydrolysis between 80-89 (percent) and a viscosity between 20-35 (centipois)

<u>Product 3.--PVA</u> for use in paper applications with a range of hydrolysis between 95-100 (percent) and a viscosity between 20-35 (centipois)

<u>Product 4.</u>—PVA for use in adhesives applications with a range of hydrolysis between 80-89 (percent) and a viscosity between 0-19 (centipois)

<u>Product 5.--PVA</u> for use in adhesive applications with a range of hydrolysis between 80-89 (percent) and a viscosity between 36-55 (centipois)

<u>Product 6</u>.--PVA for use in PVB applications with a range of hydrolysis between 98-100 (percent) and a viscosity between 28-32 (centipois)

Please note that total dollar values should be f.o.b., U.S. point of shipment and should not include U.S.-inland transportation costs. Total dollar values should reflect the *final net* amount paid to you (i.e., should be net of all deductions for discounts or rebates). See instruction booklet.

IV-2a. Report below the quarterly price data¹ for pricing products² produced and sold (**in bulk** (<u>i.e.</u>, **packed in railcars rather than in bags**)) by your firm to unrelated U.S. **end user** customers.

IV-32.	32. Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss PVA supply (including production capacity capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including China, Japan, and Korea, and (3) the world as a Of particular interest is such data from 2003 to the present and forecasts for the future.				
IV-33.	Are your exports of PVA subject to any tariff or non-tariff barriers to trade in other countries?				
	□ No	YesPlease list the countries and describe any such barriers and any significant changes in such barriers that have occurred since 2003, or that are expected to occur in the future.			
IV-34.	Does your firm sell PVA over the internet?				
	No	YesPlease describe, noting the estimated percentage of your firm's total sales of PVA in 2007 accounted for by internet sales.			

IV-35. Is PVA produced in the United States and in other countries interchangeable (*i.e.*, can they physically be used in the same applications)? Please indicate below, using "A" to indicate that the products from a specified country-pair are *always* interchangeable, "F" to indicate that the products are *frequently* interchangeable, "S" to indicate that the products are *sometimes* interchangeable, "N" to indicate that the products are *never* interchangeable, and "0" to indicate *no familiarity* with products from a specified country-pair.¹

Country-pair	United States	China	Japan	Korea	
United States					
China					
Japan					
Korea					
Germany					
Singapore					
Taiwan					
United Kingdom					
Other countries					
¹ For any country-pair producing PVA which is <i>sometimes</i> or <i>never</i> interchangeable, please explain the factors that limit or preclude interchangeable use:					

IV-36. Are differences other than price (*i.e.*, quality, availability, transportation network, product range, technical support, *etc.*) between PVA produced in the United States and in other countries a significant factor in your firm's sales of the products? Please indicate below, using "A" to indicate that such differences are *always* significant, "F" to indicate that such differences are *frequently* significant, "S" to indicate that such differences are *sometimes* significant, "N" to indicate that such differences are *never* significant, and "0" to indicate *no familiarity* with products from a specified country-pair.¹

Country-pair	United States	China	Japan	Korea	
United States					
China					
Japan					
Korea					
Germany					
Singapore					
Taiwan					
United Kingdom					
Other countries					
¹ For any country-pair for which factors other than price <i>always</i> or <i>frequently</i> are a significant factor in your firm's sales of PVA, identify the country-pair and report the advantages or disadvantages imparted by such factors:
