## Storm Data and Unusual Weather Phenomena

June 2006

Location	Date	Time Local/ Standard	Path Length (Miles)	Path Width (Yards)	Number of Persons Killed	Number of Persons Injured	Estimated Damage Property	Estimated Damage Crops	Character of Storm
----------	------	----------------------------	---------------------------	--------------------------	--------------------------------	---------------------------------	---------------------------------	------------------------------	--------------------

### TEXAS, Central Southeast

#### Harris County

South Houston	19	0411CST 1100CST			0	0	3.3M		Flash Flood
---------------	----	--------------------	--	--	---	---	------	--	-------------

Approximately 3,370 homes were flooded with some water rescues in the Interstate 45 and Beltway 610 vicinity (Belfort and Telephone Roads). The Washburn Tunnel was flooded and impassable while Interstate 10 at Federal Street's bypass was under water. Sections of Sims, Halls, and Hunting Bayous with Vogel and White Oak Creeks experienced significant flooding. Homes along these bayous and creeks had flood water in them from 2 to 8 inches to as high as 18 to 20 inches.

#### Matagorda County

Matagorda	20	0530CST 1345CST			0	0			Flash Flood
-----------	----	--------------------	--	--	---	---	--	--	-------------

Highway 60 was impassable due to flood waters

#### San Jacinto County

13 WSW Coldspring	22	1445CST			0	0	5K		Hail(0.75)
-------------------	----	---------	--	--	---	---	----	--	------------

Penny-size hail at the intersection of FM Road 2693 and FM Road 2778 right at the Walker-San Jacinto County line

#### Harris County

Spring	22	1630CST 1800CST			0	0	200K		Flash Flood
--------	----	--------------------	--	--	---	---	------	--	-------------

40 vehicles were flooded per media helicopter shot of Spring.

#### San Jacinto County

Coldspring	25	1740CST			0	0	20K		Thunderstorm Wind (EG50)
------------	----	---------	--	--	---	---	-----	--	--------------------------

Trees and power lines down.

#### Fort Bend County

8 NW Richmond	25	2030CST			0	0	25K		Thunderstorm Wind (EG50)
---------------	----	---------	--	--	---	---	-----	--	--------------------------

Trees and a fence down in the Pecan Creek Subdivision near the intersection of FM Road 359 and FM Road 723.

#### Brazoria County

3 NE Quintana	30	1500CST			0	2			Lightning
---------------	----	---------	--	--	---	---	--	--	-----------

Two victims (a 13 year old female and a 23 year old female) sought shelter under a cabana on Surfside Beach when lightning struck. The younger victim was initially in critical condition when airlifted to the hospital but fully recovered after a four day stay with only scars around her neck from a necklace she was wearing when struck. The older victim had bleeding ears after the strike, but was treated and released the same day.
