Rules for Visitors to the National Forests

WELCOME TO YOUR NATIONAL FORESTS! As a visitor to the National Forests, you are asked to follow certain rules designed to protect the Forests and the natural environment, to ensure the health and safety of visitors, and to promote pleasant and rewarding outdoor recreation experiences for all visitors. Forest Officers are empowered to enforce the Federal Regulations that the rules listed in this brochure are taken from. Please take time to read and understand them.

Regional Foresters and Forest Supervisors may issue orders that will close or restrict the use of certain areas if the need arises. Such orders will be posted so that visitors to the National Forest can reasonably be expected to be familiar with them. Copies of the orders will also be available in the offices of Forest Supervisors and District Rangers.

Information on all permit requirements is available from Forest Service offices. If you have any questions or need help, please contact your nearest Forest Officer or visit the nearest Forest Service Office.

Please remember to be careful! You are primarily responsible for your own safety. Look out for natural hazards and dangers when you are in the forest. If you hike off trails or swim or dive in streams or lakes, you do so at YOUR OWN RISK.

All visitors and users of the National Forests are subject to Federal Regulations. The points of conduct listed in this brochure are generally included in and enforceable through Federal Regulations. All of the regulations are published in Title 36 of the Code of Federal Regulations and are on file at all Forest Supervisor and District Ranger offices. Violation of orders and regulations is subject to punishment by a fine or imprisonment.

Authority: 16 USC 551, 7 USC 1011(f).

State traffic and game laws apply to National Forests unless otherwise specified.
