/a/ As of June 30 through 1976; thereafter, as of September 30.

/b/ Act of February 25, 1920 (41 Stat. 437; 20 U.S.C. 181 seq.). Collection and distribution responsibilities for receipts under this act were transferred to the Minerals Management Service (MMS) October 1, 1983. BLM has continued to collect oil and gas pipeline rights-of-way rents; rents, bonuses, and royalties from Bankhead-Jones LU lands and National Petroleum Reserve lands; and royalties from South Half of Red River, Oklahoma. Other mineral and oil and gas receipts are collected and reported by MMS. Beginning with this 1997 publication, this column includes outer continental shelf leases prior to their transfer to MMS, which was effective May 10, 1982.

/c/ Column added and totals amended for 1991 and subsequent years to report BLM collections for mining claim and mining claim holding fees.

/d/ Before 1880, includes all receipts from sale or lease of public lands and resources. After 1880, includes sales of Indian lands, revenues from grazing, rent of land, and revenues from other miscellaneous sources.

Note: Includes the collections of the Bureau of Land Management and its two predecessor organizations, the General Land Office (1785-1946) and the Grazing Service (1934-1946).
