TABLE 3-28. Legal allocation of Bureau of Land Management receipts, fiscal year 1997--concluded

- /a/ Washington, D.C., Solicitor Opinion, December 9, 1985, states that Mineral Leasing Act, 30 U.S.C. 191, distribution applies to Oregon and California (O&C) and Coos Bay Wagon Road (CBWR) grant land revenues from oil, gas, and minerals.
- /b/ Distributed by the agency having jurisdiction over the lands in the same manner as prescribed for other receipts from the same lands.
- /c/ One-third of this amount is to reimburse Treasury for moneys appropriated for access roads and reforestation; counties receive at least 50 percent of gross receipts. Special payments to counties for fiscal years 1994 through 2003 are required by Public Law 103-66 dated August 10, 1993, as amended by Public Law 103-443 dated November 2, 1994.
- /d/ The Federal share of moneys received from the disposal of salvage timber from lands under BLM jurisdiction is available without further appropriation in BLM's Forest Ecosystem Health and Recovery Fund (43 U.S.C. 1736a, PL 102-381, October 5, 1992, 106 Stat. 1376).
- /e/ Amount to counties is available for payment upon receipt of tax bills. Any surplus after each 10-year period is paid into the General Fund. Special payments to counties for fiscal years 1994 through 2003 are required by Public Law 103-66 dated August 10, 1993, as amended by Public Law 103-443 dated November 2, 1994.
- /f/ Includes revenues from reclamation lands outside reclamation projects per Cooperative Agreement of March 8, 1972.
- /g/ Payment to States represents 5 percent of net receipts (which equals 4 percent of gross receipts).
- /h/ Distribution is the same as shown for LU lands mineral leases and permits.
- /i/ Payment to the Reclamation Fund is made after deducting costs of sale, or 10 percent of revenue, whichever is less, to reimburse the Bureau of Land Management for sale expenses.
- /j/ The Bureau of Reclamation may pay costs of sale from the Reclamation Fund, or expenses may be paid and deducted by the Bureau of Land Management prior to transfer to the Reclamation Fund.
- /k/ Range improvement fees are appropriated and available to the Bureau of Land Management for constructing, purchasing, or maintaining range improvements.
- /l/ Payment to State represents receipts in excess of the actual cost of administering the grazing program in Alaska.
- /m/ Appropriated and available to the Bureau of Land Management to lease lands for grazing purposes.
- /n/ Payments to counties, the General Fund, and the Range Improvement Fund represent 25 percent and 50 percent, respectively, of net receipts.

Note: Collection and distribution responsibilities for receipts under the Mineral Leasing Act of February 25, 1920, (41 Stat. 437; 30 U.S.C. 181 et seq.) were transferred to the Minerals Management Service as of October 1, 1983.
