Description: This video conference panel presentation is designed for those who are interested in submitting a grant application in response to the Centers of Excellence in Cancer Communication Research RFA PA-08-004. The discussion is designed to clarify questions related to the submission of the Center application grant. Following short presentations on the history of the Centers and on the substance of the research being asked for, speakers will address the criteria and process of grant review, as well as the organization of budget information. The last 45 minutes will be set aside for emailed questions from the audience. After the presentation, the frequently asked questions (FAQ) section will be continuously updated on the CECCR II website: http://dccps.nci.nih.gov/hcirb/ceccr/ceccr_rfa.html
