Focus Group
For Montgomery County Community Resources Audit Process
“MontCo Works”

MONTGOMERY COUNTY COMMUNITY COLLEGE
NOVEMBER 14, 2002

1. Welcome – Janet Dicenzo, Montgomery County Department of Economic and Workforce Development
2. Overview and Introduction of Meeting – Homa Tavangar, Consultant to MontCo Works project
3. Introduction of Participants – *Please introduce yourselves, your organization, and briefly describe what your organization does.*
4. *Please share some of the strengths or outstanding qualities of your organization. In other words, what is a point you're most proud of; or what is special or unique about your organization?*
5. On the flip side of the previous question: *Please share some of your primary, or major challenges.*
 - a. *Why do you think you face these obstacles?*
 - b. *In an ideal world or situation, how could these challenges or obstacles be overcome?*
 - c. *What kinds of roles could county government play (e.g., through Workforce Development, Economic Development or various human services offices) in helping to surmount these obstacles?*
6. Introduction of Human Services Collaborative Board Initiative in Montgomery County
7. Introduction of Community Resource Profile/Audit process and the services to be available via Internet. *How useful will this be to you or your clientele base? What kinds of services, or informational items would be helpful you (the participants) on such a website and service?*

Thank you for taking the time to participate
in this important process!
