

Dear Community Service Provider:

The Concho Valley Workforce Development Board is compiling a Directory of Community Resources for Sutton, Schleicher and Crockett Counties. The directory includes listings for child care, services for the disabled, elderly, indigent, etc., that serve your community.

The directory will be free of charge to all agencies and organizations that contribute resource information and will be produced by community partner agencies and businesses. The directory will also be available on the Texas Workforce Center of the Concho Valley website at www.cvworkforce.org. Our plans are to have it available in the fall of 2002.

As an agency or organization within Sutton, Schleicher and Crockett Counties, we are asking you to become part of the Directory of Community Resource by completing the enclosed information form by June 21, 2002, and returning it to the Concho Valley Workforce Development Board in the provided business reply envelope.

It would be greatly appreciated if you list any new community service providers' names and phone numbers that have moved into these counties recently.

For more information or if you have any questions, please call me toll-free at (877) 655-2005.

Sincerely,

Kelly Barraza
Community Auditor
