WHY DO WE NEED YOUR HELP?

We want to expand our business and are looking for people who would be interested in sending our offers to millions of people through out the U.S. and Canada who we could never reach working alone. There are many mail-order companies who want to expand their business without the expense of hiring new employees. It is much easier for companies like ours to set up so that independent home workers can earn substantially higher wages, and we save money. With the resources of independent workers like you we can run an efficient business and save thousands of dollars on office space, employees, supervision, taxes and insurance.

WHAT ARE THE QUALIFICATIONS?

Anyone can do this type of work! **NO EXPERIENCE OR SPECIAL SKILLS ARE REQUIRED!** Our HOME MAILER PROGRAM is designed especially for people with little or no business experience and our start-up kit provides you with step-by-step instructions. We do ask that you are honest and reliable. This really is an awesome opportunity for you to earn an incredible income right from your own home. Please don't mistake this for one of those get rich quick schemes! **This opportunity is honest and real!**

HOW TO GET STARTED!!

In order for you to get started immediately, we require from each new applicant a one-time registration fee of \$40.00 this covers our expense in providing your start-up kit and guarantees you can work with our company for as long as you desire. Our unique program pays you for EVERY envelope that you secure, stuff and mail with our sales brochures. With little time, diligent effort and only modest resources you can start earning a solid and dependable income from the comfort of your own home.

THIS DEPOSIT IS FULLY REFUNDABLE AND BACKED BY OUR GUARANTEE!!

As much as we would like to get you started in our program without the small refundable fee, we must protect ourselves from those who are not serious and have no intention other than to satisfy their own curiosity.

Naturally, no business can afford to send out start up packages to everyone who asks for it with no intent of following through. This small fee assures us that you are serious about wanting to earn money by stuffing envelopes. There is no need to be concerned about this one time fee. We guarantee that as soon as you mail your first 100 envelopes, you will receive \$700.00, PLUS A FULL REFUND OF YOUR \$40.00 REGISTRATION FEE!

Our unconditional guarantee also states that everything that we have said about our program is true and that you will be delighted with the money you can make!
