Electronic Case Filing (ECF) and PACER Survey

Please accept this invitation to participate in a survey concerning the ECF system for filing documents and the access of documents through PACER. This survey is designed to assist the Clerk of Court in evaluating the process of filing documents on the ECF system which may identify improvements to make filing more efficient, less costly and less time-consuming for counsel. In addition, a pilot program has been implemented to study the feasibility of permitting the electronic filing of complaints in the future; your participation in this survey will help provide an opportunity for attorneys to participate in this proposed pilot program.

Please answer the questions on the enclosed survey form and return this survey form within 30 days by FAX to (215) 597-6390 or (267) 299-7130. Your time and attention on this survey are greatly appreciated. All information provided in your responses to questions on the form will be kept in strict confidence. In the event you receive more than one survey due to multiple filings, please complete and return only one survey.

If you have any questions on this survey, please do not hesitate to contact this office at 1-866-ECF-4ECF.
