NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION**

STANDING ORDER NO. 12

Required Use of Chapter 13 Confirmation Form

IT IS HEREBY ORDERED that effective immediately proposed orders confirming plans in chapter 13 cases must be modeled on Local Bankruptcy Form Order No. 24. Further, the proposed confirmation orders must include the second paragraph of that form, thereby continuing all property as property of the estate following confirmation. A party in interest who opposes inclusion of the second paragraph must do so in a written objection to confirmation articulating the basis of the opposition, noticing the objection for the confirmation hearing.
