04/22/2002	2185	MEMORANDUM Opinion that the Court will Amend the August 9 Order as follows: [1] The enhancement to HP's right to reimbursement of expenses will not be approved. HP will be limited to the terms of the acquisition agreement prior to the August 9 Order, which provided for reimbursement of expenses of no more \$5 million. [2] Regardless of the cap, HP will not be reimbursed for expenses incurred after August 9, 2001. In sum, the expenses for which HP may seek reimbursement are limited to those that are as described in the acquisition agreement and that were incurred through August 9, 2001, but not thereafter, not to exceed \$5 million. In all other respects the equity committee's motion will be denied. The parties will submit a form of order in accordance with this opinion within 10 days. [LE] Original NIBS Entry Number: 2042

12/17/2004	4265	Copy of Order from U S Court of Appeal Dated: 12/08/2004, by Judge Richard A Posner, Re: Appeal on Civil Action Number: 03 C 3095. It is Ordered that in light of the bankruptcy court's indication of a willingness to approve the settlement between Comdisco Inc and Bank One, NA appeal no. 04-2085 is Remanded to the bankruptcy court for further proceedings consistent with the bankruptcy court's order of December 2, 2004. As for the objections raised by appellants John Blair et al it is premature to determine whether appeal no. 04-2108 is moot before the settlement is actually approved. If in fact the appeal no. 04-2108 is moot before the settlement is actually approved. If in fact the appeal becomes moot in light of the settlement, then it will be appropriate to decide at that time whether to vacate the bankruptcy and district court's previous orders. See in re Smith 964 F 3d 636,637-38(7th Cir. 1992). (RE: [3489] Order (Generic), Order (Generic)). Signed on 12/17/2004 (Barrow, Latonia)
