Delivery times vary depending on whether you pay for your order online or at a register in our store.

Why do delivery times differ? Orders paid for at a register take us a little longer to process to ensure all the details of your order are captured correctly.

For complete details, please see the chart below.

For your security, it is best to have someone available to sign for your order during the hours of 9-5, Monday-Friday. If no one is available and you would like the driver to leave your shipment, please fill out a Driver Release Agreement and post it in a place where it can be retrieved by our driver.

[Click here to print a copy of our Driver Release Agreement.](#)

If a Driver Release Agreement is not posted, the driver will decide whether or not to deliver your order and leave it unattended.

Please note that the delivery lead times are estimates and may vary based on carrier shipping practices and geographic coverage areas. After submitting your order you will receive an e-mail confirmation detailing your delivery dates and expected shipments.
