JUL 3 2006

Dear Director Jeffrey:

This is to inform you that the amendments to your State's application for Federal Fiscal Year (FFY) 2006 funds, under Part C of the Individuals with Disabilities Education Act (Part C), can be approved. The approval is based upon our review and acceptance of the amendments to your State's existing application under Part C and the receipt of the required policies, procedures, methods, descriptions, assurances, certifications and submission statement for FFY 2006. This includes the assurance from the Iowa Department of Education that the Statewide system of early intervention services required by Part C under PL 108-446 and its implementing regulations in 34 CFR Part 303 is, and will remain, in effect throughout the FFY 2006 grant period.

Enclosed is the State's grant award for funds currently available under the Department of Education FFY 2006 Appropriations Act for the Part C program. These funds are for use primarily in the fiscal year 2006-2007 and are available for obligation by States from July 1, 2006 through September 30, 2008. The State's May 18, 2006 submission resolved the issues under Indicator number 11 in OSEP's response to the State Performance Plan (SPP). OSEP appreciates the State's resolution of this SPP issue related to the timeliness of due process hearing decisions.

The enclosed grant award for FFY 2006 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

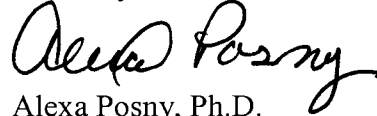

Please note that as part of your Application for FFY 2006, your State has made an assurance, under 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. Any changes made by the State to its FFY 2006 Application or its Part C policies, after OSEP's approval, must meet the applicable public participation requirements in Part C of the IDEA and may also need to be submitted to OSEP for approval prior to implementation.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act." Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities. Therefore, by accepting this grant a State is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities.
