

UNITED STATES DEPARTMENT OF EDUCATION  
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUN 30 2008

Honorable Peter O'Meara  
Commissioner  
Department of Developmental Services  
460 Capital Avenue  
Hartford, Connecticut 06106-1630

Dear Commissioner O'Meara:

We have determined that your State's application for Federal Fiscal Year (FFY) 2008 funds, under Part C of the Individuals with Disabilities Education Act (IDEA), can be approved. The approval is based upon our review of the application, submitted by the Connecticut Department of Developmental Services to the U.S. Department of Education Office of Special Education Programs (OSEP) on May 2, 2008, and as amended on June 16, 2008 including the policies, procedures, methods, descriptions, assurances, certifications and submission statement provided in Section II which are incorporated by reference to this letter as noted in Enclosure A. This includes the assurance from the Connecticut Department of Developmental Services that the statewide system of early intervention services required by Part C under 20 U.S.C. 1431 through 1444 and applicable regulations in 34 CFR Part 303 is, and will remain, in effect throughout the FFY 2008 grant period.

Enclosed is the State's grant award for funds currently available under the Department of Education Appropriations Act for FFY 2008 for the Part C program. These funds are available for obligation by States from the effective date of this grant award (no earlier than July 1, 2008) through September 30, 2010.

The enclosed grant award for FFY 2008 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

Please note that as part of your State's application for FFY 2008, your State has made an assurance, under 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the FFY 2008 grant period. Any changes made by the State to its FFY 2008 application or Part C policies or procedures that are application requirements, after issuance of this grant award, must meet the applicable public participation requirements under Part C of the IDEA in 34 CFR §§303.110 through 303.113 and if they are requirements under Section II.A must be submitted to, and approved by, the Office of Special Education Programs prior to the State's implementation of its new or revised application, policies and procedures.

Section IV.B of the FFY 2008 application for Part C funds requested updated information about each State's restricted indirect cost rate. Our records indicate that your agency has a final restricted indirect cost rate that has a restricted rate of 2% that has been approved by your agency's cognizant Federal agency and is effective until June 30, 2011. Section IV.B of your State's Part C Application indicates that your agency will continue to apply the currently

approved restricted indirect cost rate throughout the FFY 2008 grant year until a new restricted indirect cost rate is negotiated and approved by the State lead agency's cognizant Federal agency. Please forward to us any revisions to your agency's restricted indirect cost rate once it is approved by your cognizant agency.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act." Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant a State is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

William W. Knudsen

Acting Director

Office of Special Education Programs
