

RE: Made in USA

IF A PRODUCT IS MADE IN THE USA IT SHOULD SAY
MADE IN THE USA.

IF A PRODUCT IS 98% MADE IN THE USA, IT SHOULD
NOT BE ALLOWED TO DISPLAY A LABEL THAT INDICATES
ITS MADE HERE.

I HAVE SEEN IMPORTED PIPE WHERE STATUS WAS
CHANGED BY A LABEL.

DO YOU PEOPLE WANT OUR MANUFACTURING BASE TO SLIP
EVEN MORE? MAYBE WE COULD START MAKING LABELS
& STAMPS TO AFFIX TO ALL FOREIGN PRODUCTS & MAKE
ALL THEM PORT DOMESTICALLY MADE.

WHO ARE YOU PEOPLE WORKING FOR? WHO WILL BE
PAYING YOU YOUR RETIREMENT BENEFITS?

THANK YOU
J. CHADWELL
