DEAR F.T.C.

I AM A MEMBER OF LOCAL #424 IN BUFFALO NEW YORK WHERE I ALSO SERVE ON THE "UNION-LABEL" COMMITTEE. I AM WRITING THIS LETTER TO EXPRESS MY PERSONAL CONCERN WITH THE F.T.C.'S PROPOSAL TO CHANGE WHAT IS CALLED "MADE IN AMERICA". I AM TOTALLY AGAINST ANY CHANGE IN STANDARDS. A MOVE OF THIS NATURE WOULD ONLY CONFUSE AND MISLEAD CONSUMERS. CALLING A PRODUCT "MADE IN AMERICA" WOULD BE LIKE CALLING A RAKE A SHOVEL. IF NEITHER HAD NAMES IT PROBABLY WOULD GO UNARGUED. UNTIL THERE IS NO MORE CANADA, JAPAN OR UNITED STATES PLEASE DON'T INSULT AMERICAN WORKERS!  
PLEASE DON'T LET SOMEONE ELSE TAKE CREDIT

FOR OUR HARD WORK AND REPUTATION  
OF PRODUCING QUALITY PRODUCTS.

Sincerely  
Martin T Surdam jr
