

KEEP THE MADE IN USALARCI. AS IS. WE CAN HAVE ANOTHER TERM LIKE BUILT IN THE USA TO COVER PRODUCTS NOT ENTIRELY MADE HERE. AN ECONOMY NEEDS ADDED VALUE LEVELS OF PRODUCT OR AS CLOSE TO THE ONE BEHIND AS POSSIBLE. A SERVICE ECONOMY IS LIKE A POKER GAME WITH ONLY SO MUCH MONEY ON THE TABLE WITH ONLY ONE OR TWO PLAYERS GOING HOME WINNERS AND WITH THE REST GOING HOME BROKE. OUR COUNTRY HAS A TRADITIONAL BASE DEPENDING ON THE DIGNITY AND WORTH OF A SINGLE HUMAN PERSON. ONCE THIS IS LOST, WE ALL LOSE EVEN IF WE HAVE A UPPER MIDDLE CLASS GROWING, WITHOUT THE ADDED LEVELS OF VALUE, WE THEN HAVE TO HAVE A SERF CLASS AND THE US WORKER WILL RETALIATE.

WHO TAMED THE STREETS? THE SHIP FOREIGN WORKERS YOUNG MEN OFF THE STREETS, taught them a trade, gave them discipline and in turn the young men made enough to get married, have children and buy a home- is this the missing factor?????

IN A SERVICE ECONOMY WHO ARE THE REAL PARASITES, IS IT THE WORKING POOR OR THE CLASSES WHO LIVE OFF THE WORKING POOR AND EVEN THE WELFARE SEGMENT OF A SOCIETY. THERE ARE TOO MANY NOW WHO TALK A LIBERAL CAUSE BUT LIVE LIKE RAW SURVIVAL OF THE FITTEST CAPITALISTS. IN A JUNGLE EXISTENCE

TRADE IS LIKE SEX. IT CARRIES WITH IT EVERYTHING THAT MAKES IT UP FROM THE BEGINNING INCLUDING THE SOCIAL CULTURAL, GEOPOLITICAL SINS OF THE OTHER COUNTRIES. ROOSEVELT SAID THAT THE SINS OF ECONOMICS ARE VERY CONTAGIOUS.
