MADE IN THE USA POLICY COMMENT
OFFICE OF THE SECRETARY
FEDERAL TRADE COMMISSION

Gentlemen:

I would like to voice my disapproval of the proposal to change the "Made In USA" labeling of products. We need to keep it as is.

This country did not become the great country it has been by ~~the best~~ ^{best} methods. We need to keep this country strong for the future generations.

If products are not made in the "USA" please do not say it was.

Thank You
