MADE IN THE USA POLICY COMMENT
OFFICE OF THE SECRETARY
FEDERAL TRADE COMMISSION
ROOM 159

Gentlemen:

I would like to voice my disapproval of the proposal to change the "Made in USA" labeling of products. We need to keep it the way it is.

This country did not become the great country it has been by using dishonest methods.

We need to keep this country strong for the future generations.

If it is not made in the USA,
DON'T SAY IT WAS!!!!
