The Honorable Robert Pitofsky,

I support the Proposed "made in the USA" Guidelines. I feel IT is Important for the well being of my Family, as well as the welfare of our country as a whole. I Take great Pride in my Daily Activities at New Balance knowing we Carry the Made in the USA Label. I am appalled to think That our customers in the U.S. and abroad will look at our made in the USA Product and a Product made by another Company overseas in The same way. Thank you for your Time and consideration.
