RE: Prerecorded Call Prohibition EBR Telemarketing, Project No. R411001

I am opposed to the FTC's proposal that would require written authorization to receive pre-recorded telemarketing calls from the businesses or Charities that I have an Established Business Relationship with. I am aware of the burden this would place on these businesses.

I would ask the Commission to either adopt the EBR exception contained in the TCPA that creates an exception for pre-recorded calls sent by companies that have an EBR with the person they are calling or continue its forbearance towards businesses that send pre-recorded messages to those with an EBR beyond January 2, 2007.

Sincerely,

Dennis Hunley
